Dear Honorable PLUM Committee:

I urge the PLUM Committee adopt the nomination by the Cultural Heritage Commission on April 15th, 2021, without any revisions, for Studio City Golf and Tennis Club to be included in the list of Historical-Cultural Monuments according to the CHC staff findings as written. The CHC determined " that the property conforms with the definition of a Monument pursuant to Section 22.171.7 of the Los Angeles Administrative Code.

As a property that for generations has been open to everyone regardless of age, gender, and ethnicity for an affordable price without membership dues, Weddington Golf and Tennis is in a unique position between a public, municipal course and a private country club. Weddington Golf & Tennis complemented and supported surrounding suburban development in Studio City. Weddington Golf & Tennis stands out for its planned landscape, specifically, the number and application of over 350 palm, eucalyptus, and pine trees, to define the fairways.

Please don't let our neighborhood lose these mature trees, verdant real grass on rolling landscape, and peaceful setting to an athletic campus covered with astroturf and decomposed granite. It will take decades to replace the shade the thoughtfully placed mature trees now provide.

Any proposed demolition of this excellent example of a post WW II Era recreational facility will result in a significant loss to the heritage and character of Studio City. I urge you to protect this iconic Studio City landmark for future generations.

Sincerely,
Carol Green, Home Owner

Given the horrific effects of climate change, the intense heat and fires that endanger our beautiful state every year, the LAST thing we need to be doing is cutting down more trees. How could that even be possible? How could you allow that to happen? Future generations are counting on us to do better. Saving this beautiful green space is part of doing better.

Weddington Golf & Tennis complemented and supported surrounding suburban development in Studio City. Weddington Golf & Tennis stands out for its planned landscape, specifically, the number and application of over 350 palm, eucalyptus, and pine trees, to define the fairways.

Any proposed demolition of this excellent example of a post WW II Era recreational facility will result in a significant loss to the heritage of Studio City. I urge you to protect this iconic Studio City landmark for future generations.

Sincerely

Eric Troop

TO: PLUM Committee:
FROM: William Shatner (et al)

RE: Weddington Golf & Harvard-Westlake

I urge the PLUM Committee adopt the nomination by the Cultural Heritage Commission on April 15th, 2021, **without any revisions**, for Studio City Golf and Tennis Club to be included in the list of Historical-Cultural Monuments according to the CHC staff findings as written. The CHC determined " that the property conforms with the definition of a Monument pursuant to Section 22.171.7 of the Los Angeles Administrative Code.

As a property that for generations has been open to everyone regardless of age, gender, and ethnicity for an affordable price without membership dues, Weddington Golf and Tennis is in a unique position between a public, municipal course and a private country club. The **Harvard-Westlake** school will not honor any promise of 'access' with a token strip of park benches. It seeks to impose it's grandiose goals for expansion (a trivial matter compared to the health of the community of Studio City, and the San Fernando Valley), upon the community at the expense of the City of Los Angeles, as the corrupt inheritor of the Valley after the 1915 water wars, in which the City of Los Angeles employed blackmail to force the Valley into incorporating with Los Angeles (excluding Universal City, Burbank, and San Fernando which remained un-incorporated due to having water sources. This is not a real estate deal, or legitimate school expansion, it is the proliferation of money by alumni simply because they have money, and a nasty lawyer. This is an attack on the quality of life of a great many people who live not only in Studio City, but throughout Los Angeles. If the City has integrity and PLUM considers the reality of what **Harvard-Westlake** will actually do to the environment by removing the natural landscape of Weddington Golf that today is as close to what it was 150 years ago as anywhere in the entire Valley, then you will not allow the development to proceed undeterred.

Sincerely Yours,

William Shatner, Susan Sarandon, Teri Hatcher,

George Clooney, Megan Fox, Bryan Cranston,

Sylvester Stallone, Lucy Liu, Jack Davenport, Harry Hamlin, Chloe Grace Moretz, Hillar Duff, Jennifer Aniston, Reese Witherspoon, Tim Matheson, Kathy Griffin, Bruno Mars, Ray Romano, Joe Walsh

Weddington Golf & Tennis stands out for its planned landscape, specifically, the number and application of over 350 palm, eucalyptus, and pine trees, to define the fairways. Any proposed demolition of this excellent example of a post WW II Era recreational facility will result in a significant loss to the heritage of Studio City. I urge you to protect this iconic Studio City landmark for future generations.

Dear Honorable PLUM Committee:

I urge the PLUM Committee adopt the nomination by the Cultural Heritage Commission on April 15th, 2021, without any revisions, for Studio City Golf and Tennis Club to be included in the list of Historical-Cultural Monuments according to the CHC staff findings as written. The CHC determined " that the property conforms with the definition of a Monument pursuant to Section 22.171.7 of the Los Angeles Administrative Code.

As a property that for generations has been open to everyone regardless of age, gender, and ethnicity for an affordable price without membership dues, Weddington Golf and Tennis is in a unique position between a public, municipal course and a private country club. Weddington Golf & Tennis complemented and supported surrounding suburban development in Studio City. Weddington Golf & Tennis stands out for its planned landscape, specifically, the number and application of over 350 palm, eucalyptus, and pine trees, to define the fairways.

Dear Honorable PLUM Committee:

This is important. I urge the PLUM Committee adopt the nomination by the Cultural Heritage Commission on April 15th, 2021, without any revisions, for Studio City Golf and Tennis Club to be included in the list of Historical-Cultural Monuments according to the CHC staff findings as written. The CHC determined " that the property conforms with the definition of a Monument pursuant to Section 22.171.7 of the Los Angeles Administrative Code. As a property that for generations has been open to everyone regardless of age, gender, and ethnicity for an affordable price without membership dues, Weddington Golf and Tennis is in a unique position between a public, municipal course and a private country club. Weddington Golf & Tennis complemented and supported surrounding suburban development in Studio City. Weddington Golf & Tennis stands out for its planned landscape, specifically, the number and application of over 350 palm, eucalyptus, and pine trees, to define the fairways. Any proposed demolition of this excellent example of a post WW II Era recreational facility will result in a significant loss to the heritage of Studio City. I urge you to protect this iconic Studio City landmark for future generations.

Sincerely,

Chris Specht

Weddington Golf & Tennis is a fixture of our community and serves residents of all ages from children taking their first tennis lessons, to senior citizens out on the golf course. The Harvard Westlake River Park - with only its promised walking path available most days and times - simply can't compare to the recreational activities we currently enjoy at Weddington.

The historic 9-hole course and clubhouse aren't just charming relics of days gone by. With over 350 palm, eucalyptus, and pine trees, whether you golf or not, it's a true green oasis from the ever expanding development in our neighborhood - especially with the pending demolition of Sportman's Lodge.

Any proposed demolition of this excellent example of a post WW II Era recreational facility will result in a significant loss to the heritage of Studio City. I urge you to protect this iconic Studio City landmark for future generations.

Sincerely,

Dear Honorable PLUM Committee:

I urge the PLUM Committee adopt the nomination by the Cultural Heritage Commission on April 15th, 2021, without any revisions, for Studio City Golf and Tennis Club to be included in the list of Historical-Cultural Monuments according to the CHC staff findings as written. The CHC determined " that the property conforms with the definition of a Monument pursuant to Section 22.171.7 of the Los Angeles Administrative Code.

As a property that for generations has been open to everyone regardless of age, gender, and ethnicity for an affordable price without membership dues, Weddington Golf and Tennis is in a unique position between a public, municipal course and a private country club. Weddington Golf & Tennis complemented and supported surrounding suburban development in Studio City. Weddington Golf & Tennis stands out for its planned landscape, specifically, the number and application of over 350 palm, eucalyptus, and pine trees, to define the fairways.

Any proposed demolition of this excellent example of a post WW II Era recreational facility will result in a significant loss to the heritage of Studio City. I urge you to protect this iconic Studio City landmark for future generations.

Sincerely
Sue Zisko

Dear Honorable Members:

The Board of Directors of Neighborhood Council Valley Village (NCVV) wholeheartedly supports the position of the Studio City Neighborhood Council (SCNC) regarding preservation and future development of the Studio City Golf and Tennis Club, and support SCNC's efforts to obtain Historic-Cultural Monument status for the property.

The Studio City Golf and Tennis Club is a rare resource in the southeast San Fernando Valley that is used by many of our neighbors in Valley Village for recreation and outdoor activities. Equally rare is the large and contiguous green space that affords environmental benefit and provides significant improvement to quality of life for all of our communities. We support our colleagues at SCNC in their efforts to maintain all of these important features for the benefit of our stakeholders, and preserve the history of this legendary property.

Sincerely,

Tony Braswell

Dear Honorable Members: The Board of Directors of the North Hollywood West Neighborhood Council wholeheartedly supports the position of the Studio City Neighborhood Council (SCNC) regarding the preservation of the Studio City Golf and Tennis Club, and supports the SCNC's efforts to obtain Historic-Cultural Monument status for the subject property. The entire, 16-acre subject property, Studio City Golf and Tennis Club (also known as Weddington Golf & Tennis), has been open to the public for nearly 70 years. This community facility is a unique resource in the southeast San Fernando Valley that is used by many of our neighbors in Los Angeles for recreation and outdoor activities. Equally rare is the large and contiguous green open space that affords environmental benefits and provides significant improvement to the quality of life for all of our communities. We support our colleagues at the SCNC in their effort to maintain all of these important features for the benefit of our stakeholders and preserve the history of this legendary property. Sincerely, Greg Wright, President, North Hollywood West NC

Summary: The Greater Valley Glen Council endorses the recommendation of the Cultural Heritage Commission made on April 15, 2021, declaring the STUDIO CITY GOLF AND TENNIS CLUB (also known as the Weddington Golf and Tennis Club); 4047-4155 North Whitsett Ave; 12506-12630 West Valley Spring Lane (CHC-2020-7764-HCM; ENV-2020-7765-CE) a Historic-Cultural Monument. We concur with its conclusion that the club “exemplifies significant contributions to the broad cultural, economic or social history of the nation, state, city or community” and that it “embodies the distinctive characteristics of a style, type, period, or method of construction” as an excellent example of a 1950s community golf course and, additionally, that it is home to more than 400 trees. While the “Club” is privately owned, it does not have members and the facility is open to and used by the general public including those in the GVGC community.

Letter of Support: Studio City Golf and Tennis Club Historical Monument Status

Attn: Los Angeles City Council PLUM Committee

RE: Weddington Golf & Tennis 4141 Whitsett Ave., Studio City CA 91604 **ENV-2020-1512-EIR**
Case No. CHC-2020- 7764-HCM.

The Panorama City Neighborhood Council supports the Cultural Heritage Commission (CHC) decision to nominate Studio City Golf and Tennis Club 4141 Whitsett Ave., Studio City, CA 91604 to be included in the list of Historic-Cultural Monuments. The CHC determined that the entire subject property conforms with the definition of a Monument under Section 22.171.7 of the Los Angeles Administrative Code. The Commission also voted to change the proposed monument's name back to "Studio City Golf and Tennis Club" to reflect the original, historic name.

This landmark is not only critical to the history of the Valley's landscape, but to the entire City's story of inclusion and acceptance. This monument, with all our Country's politics, never excluded women, people of color, or discriminated based on age. This policy is the heart of the PCNC's mission and we stand strongly with our San Fernando Valley neighborhoods to protect these principles and purpose.

Dear Honorable PLUM Committee:

I urge the PLUM Committee adopt the nomination by the Cultural Heritage Commission on April 15th, 2021, without any revisions, for Studio City Golf and Tennis Club to be included in the list of Historical-Cultural Monuments according to the CHC staff findings as written. The CHC determined " that the property conforms with the definition of a Monument pursuant to Section 22.171.7 of the Los Angeles Administrative Code.

As a property that for generations has been open to everyone regardless of age, gender, and ethnicity for an affordable price without membership dues, Weddington Golf and Tennis is in a unique position between a public, municipal course and a private country club. Weddington Golf & Tennis complemented and supported surrounding suburban development in Studio City. Weddington Golf & Tennis stands out for its planned landscape, specifically, the number and application of over 350 palm, eucalyptus, and pine trees, to define the fairways.

Any proposed demolition of this excellent example of a post WW II Era recreational facility will result in a significant loss to the heritage of Studio City. I urge you to protect this iconic Studio City landmark for future generations.

Sincerely

I personally came here as a child in the late 60's and 70's. Again, with my son in the late 80's and 90's and now, I am teaching my youngest grandson to play golf at this same historic golf course. There is no place like this in the Los Angeles Area

Dear Honorable PLUM Committee:

I urge the PLUM Committee adopt the nomination by the Cultural Heritage Commission on April 15th, 2021, without any revisions, for Studio City Golf and Tennis Club to be included in the list of Historical-Cultural Monuments according to the CHC staff findings as written. The CHC determined " that the property conforms with the definition of a Monument pursuant to Section 22.171.7 of the Los Angeles Administrative Code.

As a property that for generations has been open to everyone regardless of age, gender, and ethnicity for an affordable price without membership dues, Weddington Golf and Tennis is in a unique position between a public, municipal course and a private country club. Weddington Golf & Tennis complemented and supported surrounding suburban development in Studio City. Weddington Golf & Tennis stands out for its planned landscape, specifically, the number and application of over 350 palm, eucalyptus, and pine trees, to define the fairways.

Any proposed demolition of this excellent example of a post WW II Era recreational facility will result in a significant loss to the heritage of Studio City. I urge you to protect this iconic Studio City landmark for future generations.

Sincerely

Dear Honorable PLUM Committee:

I urge the PLUM Committee to adopt the nomination by the Cultural Heritage Commission on April 15th, 2021, without any revisions, for Studio City Golf and Tennis Club to be included in the list of Historical-Cultural Monuments according to the CHC staff findings as written. The CHC determined that “the property conforms with the definition of a Monument pursuant to Section 22.171.7 of the Los Angeles Administrative Code.”

As a property that for generations has been open to everyone regardless of age, gender, and ethnicity for an affordable price without membership dues, Weddington Golf and Tennis is in a unique position between a public, municipal course and a private country club. Weddington Golf & Tennis complemented and supported surrounding suburban development in Studio City. Weddington Golf & Tennis stands out for its planned landscape, specifically, the number and application of over 350 palm, eucalyptus, and pine trees, to define the fairways.

On a personal note, my family has lived in Studio City for over 70 years. In our dynamic, rapidly changing community, it is so heartening to have at least one beautiful piece of local history still standing. My grandfather taught my mother and I how to golf at Weddington as children, and I hope to take my children and grandchildren there in the future. It would break my heart—and the hearts of many throughout the community—to no longer have this piece of living history, as a resource for us to say, “Look, here is a small piece of what Studio City was like when I was a child, and when your grandmother grew up here, and when your great-grandparents first moved into town.”

Any proposed demolition of this excellent example of a post WW II Era recreational facility will result in a significant loss to the heritage of Studio City, and to the character of our unique community. I urge you to protect this iconic Studio City landmark for future generations.

Sincerely,
Hayley M. Lennon

It is WELL worth saving, for numerous reasons - not the least of which is that I play tennis there frequently.
