Subject: **COVID-19 EMERGENCY RESPONSE ACCOUNT – GENERAL CITY PURPOSES FUND STATUS REPORT – WEEK ENDING FRIDAY, SEPTEMBER 10, 2021**

On March 17, 2020, Council adopted a Motion (C.F. 20-0147-S46) to transfer \$20.0 million from the Reserve Fund to the General City Purposes Fund under a new account entitled “COVID-19 Emergency Response” in order to provide City Departments additional resources to address and respond to the COVID-19 pandemic. In accordance with the Motion, the City Administrative Officer is authorized to spend these requested funds at the direction of the Mayor and provide reports to the City Council on expenses incurred and purposes for which the funds were authorized.

On April 7, 2020, in order to continue citywide efforts to address COVID-19, an additional appropriation of \$50.0 million was provided from the Building and Safety Building Permit Enterprise Fund to the COVID-19 Emergency Response account, increasing the overall appropriation to \$70.0 million. The transfer was effectuated under Mayoral authority in accordance with Los Angeles City Charter Section 231(i) and Los Angeles Administrative Code Sections 8.29 and 8.30, and subsequently approved by Council on April 29, 2020 (C.F. 20-0501).

On April 30, 2020, an additional \$75.0 million was transferred to the COVID-19 Emergency Response account from the Building and Safety Building Permit Enterprise Fund to fund ongoing COVID-19 response needs, thereby increasing the total appropriation to \$145.0 million. The transfer was effectuated under Mayoral authority and subsequently approved by Council on May 5, 2020 (C.F. 20-0530). In accordance with Council action, \$25.0 million of the \$75.0 million transfer will be dedicated to enhancements to the Senior Meals Delivery Program. As of September 10, 2020, the funding dedicated to the Senior Meals Program has been fully approved for expenditure.

On July 17, 2020, the Board of Public Works approved a transfer of \$75.0 million from the Public Works Trust Fund to the COVID-19 Emergency Response account, as authorized by the Mayor, to meet the City’s ongoing COVID-19 expenditures (C.F. 20-0147-S53).

To continue response efforts, the 2021-22 Adopted Budget includes additional funding in the amount of \$40.0 million, of which \$15.0 million is available in the COVID-19 Emergency Response account and \$25.0 million is available in the Unappropriated Balance. It should be noted that the Weekly Status Reports are now filed under Council File 21-0874. Prior reports can be found under Council File 20-0147-S46.

During the Fiscal Year 2021-22 budget deliberations, Council instructed the City Administrative Officer report back to the Budget and Finance Committee on how Council could take a more proactive role in decision-making in the City’s response to the pandemic (C.F. 21-0600-S2). This Office is currently researching this directive and will be reporting back to Council with an analysis and recommendations in a forthcoming report.

The table below provides a summary of authorized funding from the COVID-19 Emergency Response account for the week ending September 10, 2021.
