Dear Honorable PLUM Committee:

While we are pleased that the PLUM Committee declared the entire Weddington Golf & Tennis subject property a Historic-Cultural Monument, we are disappointed that the Committee appears to have altered the full recommendation of the Los Angeles Cultural Heritage Commission. That recommendation recognized Weddington Golf & Tennis, otherwise known as Studio City Golf & Tennis Club, for its "combination of greenery, open space, social outlets, and community recreation". Only a facility that retains the characteristics of the current property AND is fully open to the general public can meet this criterion.

As a property that for generations has been open to everyone regardless of age, gender, and ethnicity for an affordable price without membership dues. Weddington Golf & Tennis stands out for its planned landscape, specifically, the number and application of over 350 palm, eucalyptus, and pine trees, to define the fairways.

Any proposed demolition of this excellent example of a post WW II Era recreational facility will result in a significant loss to the heritage of Studio City. I urge you to protect this iconic Studio City landmark for future generations.

Sincerely
