

**MOTION**

Council District 11 seeks to partner with the Friends of the Ballona Wetlands and Ballona Wetlands Conservancy, through the adopt-a-median program, for services such as ecological rehabilitation, signage repair, debris removal and mulch replacement. The Ballona Wetlands Conservancy is responsible for management of the ecological well-being of one of the only Freshwater Wetlands in the entire City; the Friends of Ballona Wetlands conduct educational, repair and maintenance, and scientific monitoring programs in the Marsh. This partnership will improve the health and longevity of this environmental asset, while ensuring public access as required by the Coastal Act.

I THEREFORE MOVE that \$63,450 of the Council District 11 portion of the Street Furniture Revenue Fund No. 43D, Department 50 be transferred to the Board of Public Works Fund No. 100-74 Account No. 3040 (Contractual Services) for ecological rehabilitation surrounding the Freshwater Marsh and the Ballona Wetlands in Council District 11 coordinated by the Friends of the Ballona Wetlands.

I FURTHER MOVE that the Board of Public Works, Office of Community Beautification, be authorized to prepare the necessary documents with and/or payments to the Friends of Ballona Wetlands, or any other agency or organization, in the above amount for the above purpose, subject to the approval of the City Attorney as to form.

I FURTHER MOVE that the Department of Public Works Office of Accounting be authorized to make any technical corrections of clarification as necessary to the above instructions in order to effectuate the intent of the motion.
