Review of Grant Award and Acceptance Determination

10. Grant Award Summary

The Office of the City Attorney requests authority to accept \$942,000 in grant funding from the County of Los Angeles for the Los Angeles County Homeless Court Program administered by the City Attorney's Homeless Engagement and Response Team (HEART). The grant performance period is from July 1, 2021 through June 30, 2022.

The Homeless Court Program, part of the Los Angeles County Public Defender's Criminal Record Clearing Project, is a collaborative effort between the City and County to assist individuals experiencing homelessness or those at risk of homelessness in resolving outstanding infraction citations through service engagement instead of paying fines and fees. The program is staffed by HEART, which runs mobile homeless citation clinics countywide. HEART will be responsible for running background checks, reviewing charges, tracking compliance, filing motions for dismissal with the Los Angeles Superior Court, deploying mobile teams to events, and coordinating with new and existing service providers for operational support.

From July 1, 2020 to June 30, 2021, HEART conducted six homeless outreach events, and engaged with 629 homeless persons. This resulted in 1,149 petitions filed for dismissal and/or reduction, of which 1,138 were granted.

Funding is provided through Measure H. The total cost of the program is \$1,052,078 of which \$942,000 is reimbursable to the City as follows: \$649,812 for salaries, \$283,188 for partial related costs (fringe benefits), and \$9,000 for supplies. Funding for the remaining related costs (department administration and central services) of \$110,078 are included in the 2021-22 Adopted Budget.

- Re: LA County Criminal Record Clearing Project HEART CF #18-0506

As detailed in the CAO Grants Acceptance form, the LA County Homeless Court Program, administered by the LA City Attorney's Homeless Engagement and Response Team (HEART), will continue operating its mobile program to assist homeless individuals or individuals at risk of homelessness through citation clinics supported through continuation funding.

Launched countywide under the Measure H Criminal Record Clearing Project in July, 2018, two field teams began assisting individuals experiencing homelessness or at risk of homelessness to resolve eligible infraction citations and associated warrants, fines, and fees. From July 1, 2020 through June 21, 2021 the program conducted six homeless outreach events and engaged with 629 homeless persons. This resulted in 1,149 petitions filed for dismissal and/or reduction, of which 1,138 were granted.

FY 2021/22 funding will sustain the two HEART field teams established under Measure H funding. These teams will run criminal background records, manage mobile team deployments, motion the Los Angeles Superior Court to secure dismissals, coordinate with the court clerk to ensure fines and fees are pulled from collections, work with cross-jurisdictional partners to approve motions, work with service agencies to coordinate large events, recruit new service providers and resource agencies to support the mobile teams, and coordinate existing service providers to process participants. Measure H funding is approved on an annual basis.

The County has indicated its intent to renew funding to sustain the program.

Summary

Please provide a project summary including goals, objectives (metrics), specific outcomes, and briefly describe the activities that will be used to achieve these goals. You may attach an additional sheet of paper if necessary.

The Los Angeles City Attorney's Homeless Engagement and Response Team (HEART) administers the LA County Homeless Court Program. The Homeless Court helps unhoused individuals or individuals at risk of experiencing homelessness clear traffic and pedestrian tickets by engaging in services instead of paying expensive fines and fees. These low-level criminal cases can have collateral consequences for employment and housing. HEART frequently reviews cases that have amassed thousands of dollars in fines and fees, involving violations ranging from jaywalking to drinking in public to driving on a suspended license. HEART works with approved social service providers to confirm that participants are engaging in services before coordinating with local prosecutors and the LA County Superior Court to dismiss citations and/or suspend outstanding fines and fees. Participants can connect with HEART by attending a homeless connect day and completing an intake with a HEART member or having an approved service provider submit a direct referral to HEART. HEART partners with the Los Angeles County Public Defender to connect unhoused individuals and individuals at risk of experiencing homelessness with social services and criminal record clearing assistance through the County's Homeless Initiative.

MEMORANDUM OF UNDERSTANDING Between the County of Los Angeles, Public Defender Department and the City of Los Angeles, Office of the City Attorney for the Criminal Record Clearing Project

This Memorandum of Understanding (MOU) is entered into by and between the County of Los Angeles, Public Defender Department ("Public Defender" and/or "County") and the City of Los Angeles, Office of the City Attorney ("City" and/or "Contractor"), collectively referred to herein as "Parties".

WHEREAS, on April 4, 2006, the County Board of Supervisors approved the Homeless Prevention Initiative (HPI) which included the recommendation and on-going funding to enhance and stabilize the functioning of Homeless Court now known as part of the Criminal Record Clearing Project;

WHEREAS, on June 13, 2017, the Los Angeles County Board of Supervisors approved for fiscal year 2017/2018 funding for the Public Defender to implement Homeless Initiative Strategy D6 - Criminal Record Clearing Project (CRCP) through the deployment of mobile staff who will provide misdemeanor and felony record clearing services to persons experiencing homelessness; and on May 15, 2018, the Los Angeles County Board of Supervisors approved increased funding for fiscal year 2018/2019 to incorporate into the CRCP infraction clearing services provided by the Los Angeles County Homeless Court Program (Homeless Court). On May 15, 2019, the Los Angeles County Board of Supervisors approved funding to expand the countywide expansion of the Homeless Court for fiscal year 2019/2020. On April 2, 2020, the Public Defender received confirmation from the Board of Supervisors that funding would be extended for fiscal year 2020/2021. On July 13, 2021, the LA County Board of Supervisors voted to extend funding to the D6 Criminal Record Clearing Project for fiscal year 2021/2022.

WHEREAS, the City is a public entity with recognized professionals and experience in providing effective services to individuals experiencing homelessness, and having assumed the legal duties for the last six years of Homeless Court and the remaining participants under the prior program designed under a Memorandum of Understanding executed on June 25, 2015; and

WHEREAS, the Public Defender and the City have mutually agreed that it is in the best interest of the County to restructure Homeless Court to deploy the Public Defender to provide legal services Countywide as part of the Criminal Record Clearing Project.

NOW, THEREFORE, in consideration of the foregoing and of the promises and the covenants set forth herein, the Parties agree as follows:

I. PURPOSE

This MOU outlines the Parties' understanding with regard to the redesigned operation of Homeless Court. Homeless Court will continue to help individuals experiencing homelessness or at risk of experiencing homelessness resolve outstanding infraction citations, fines, fees, and associated warrants. The related warrants and fines can detrimentally affect a person's ability to access employment, driving privileges, social services, and permanent housing opportunities.

The Public Defender's mobile unit deploys in the community and accepts referrals from community based organizations and homeless service agencies for individuals who need support with criminal expungements. The Public Defender recognizes that additional support is necessary from Homeless Court to give participants the opportunity to resolve eligible infraction citations and associated warrants.

The Public Defender conducts misdemeanor and felony record clearing outreach events with its community partners, and operates a virtual referral system. Since the Public Defender does not provide infraction clearing services, Homeless Court is necessary to provide participants the opportunity to resolve eligible infraction citations and associated warrants. Homeless Court participants are required to actively engage in case management or to complete identified services specific to their needs in order to have the citations, fines, and warrants removed from their record. These services include but are not limited to the following: enrolling into the Coordinated Entry System, connecting with job readiness programs and signing up for eligible DPSS or VA benefits.

II. TERM OF MOU

The term of this MOU shall be July 1, 2021 through June 18, 2022, commencing upon full execution by the City and the Public Defender, unless sooner terminated or extended, in whole or in part, as provided in this MOU.

To the extent that the City may have begun performance of the services before the date of execution at the County's request and due to immediate needs, the County hereby ratifies and accepts these services performed in accordance with the terms and conditions of this Agreement.

III. PUBLIC DEFENDER RESPONSIBILITIES

1. The Public Defender agrees to provide, through the efforts of its CRCP staff, the following services to persons experiencing homelessness or who are at risk of homelessness:

a) Provide legal representation for the clearing of eligible misdemeanor and felony offenses.

b) Refer clients to housing and supportive services.

2. The Public Defender will review and be responsible for any requests for changes to this MOU and/or budget.

3. The Public Defender will submit all invoices and reports to the CEO's Service Integration Branch, Housing and Homeless Unit (SIB-HHU) Homeless Coordinator.

4. The Public Defender will provide payment to the City for all salaries, employee benefits, and other expenditures as set out in the attached Budget.

5. The Public Defender will serve as the lead agency of the Criminal Record Clearing Project.

6. If the Public Defender discovers that a client has an outstanding bench warrant it may at its discretion refer the client to Homeless Court.

IV. FISCAL PROVISIONS

1. The Public Defender shall make payments to the City Attorney for services rendered pursuant to this MOU. Such payment shall be made from the Homeless Initiative CRCP funds as approved by the Board of Supervisors. Payment terms are as follows:

a) The City Attorney shall submit monthly invoices that comply with Auditor-Controller guidelines. Expenditures must correspond to the CRCP budget approved by the Board of Supervisors. Proposed changes to the budget must be submitted to both parties. Changes to the budget over Ten Thousand Dollars (\$10,000.00) require approval by the Board of Supervisors. Changes under Ten Thousand Dollars (\$10,000.00) can be approved by the SIB-HHU's Homeless Coordinator.

b) The City Attorney invoices must be submitted by the 15th day of the following service month to:

EXHIBIT A

STATEMENT OF WORK AND BUDGET

The Los Angeles County Homeless Court Program, staffed by the Homeless Engagement and Response Team (HEART) of the Office of the Los Angeles City Attorney (City), will continue operating the mobile program that was launched countywide in July 2018. HEART will support the Los Angeles County Public Defender's implementation of the Criminal Record Clearing Project, providing support and resources to individuals who would like to resolve eligible infraction citations. The City will invest in additional technology resources to support the continued expansion. The staff will be comprised of field teams to help individuals experiencing homelessness or at risk of experiencing homelessness resolve eligible infraction citations and connect to services throughout Los Angeles County.

FY 2021/22 funding will sustain the expanded HEART field teams under the Measure H Criminal Record Clearing Project. Field teams were established in FYs 2018/2019 and 2019/2020 to assist individuals experiencing homelessness or at risk of experiencing homelessness resolve eligible infraction citations and associated warrants, fines and fees.

The City is required to serve One Hundred (100) participants per month.

The City will serve participants through two referral mechanisms: (1) by accepting referrals directly from approved community based organizations and homeless service agencies via a web-based tool; and (2) by staffing mobile legal clinics throughout Los Angeles County to reach individuals who may not be connected to service agencies, when such clinics are available under current LA County Department of Public Health Officer Orders.

Participants may use the service more than once. This will produce the best result by assisting one time participants without abandoning

individuals who are in need of continuing or more extensive assistance.

1. Eligibility

(1) The participant has an eligible infraction offense.

(2) The participant does not have an open felony matter(s).

(5) The participant is engaged in services as verified either by a case manager. For example, a case manager may verify the participant:

(a) Has an HMIS number;

(b) Has engaged in outreach services for at least thirty (30) days;

(c) Has a referral from an approved justice partner (for example, the Public Defender, Legal Aid Foundation of Los Angeles, Neighborhood Legal Services, or Public Counsel); or

(d) Has connected with social service agencies at a Homeless Court event.

b) Individuals may be deemed at risk of homelessness and eligible for this program if they possess individual risk factors including but not limited to: extremely low income, disruptive

events in youth, prior imprisonment, substance use, veteran status, psychiatric disorders, physical disability, or a prior history of homelessness.

- 2. Duties and Tasks
 - a) City

(1) The City will be responsible for the intake of individuals experiencing homelessness or at risk of experiencing homelessness into the Homeless Court to resolve eligible infraction citations and associated warrants.

(2) The City will complete background check inquiries, review charges, maintain statistical data for funding, track compliance of participants, file necessary motions for dismissals with the Los Angeles County Superior Court clerk.

(4) The City will retain discretion in setting its calendar for participation in Criminal Record Clearing events.

(5) The City will retain discretion in approving community based organizations and homeless service agencies for direct referral access.

(6) When feasible, and subject to current LA County Department of Public Health Officer Orders, the City will deploy its mobile team to a Criminal Record Clearing Event alongside the Public Defender teams. (7) The City will consult with the Public Defender regarding deployments, but given its limited means will not deploy to every Criminal Record Clearing event.

(8) The City retains discretion to refrain from staffing events that do not have appropriate health or security safeguards in place.

(9) The City may participate in Criminal Record Clearing events that do not include the Public Defender mobile teams and vice versa.

(10) The City will offer individuals information or connections to programs or agencies that provide housing, mental health counseling, supportive housing, employment training and placement, social services, or other rehabilitative services.

(11) When available, the City may provide Metro cards, bus tokens, or other resources to alleviate event transportation challenges for participants who attend Criminal Record Clearing Project events.

(12) The City will work with outside entities and jurisdictional contacts to ensure that infraction citations from throughout Los Angeles County may be reviewed and cases may be given an opportunity for resolution.
