RECITALS

WHEREAS, City and Contractor entered into contract number DA-5212 dated August 2, 2017 for maintenance, repair, and support services for the Closed-Circuit Television Video Surveillance and Intelligent Observation Network for the Department, as amended by the First Amendment No. 5212A dated August 13, 2019, as amended by the Second Amendment No. 5212B dated July 28, 2020, and as amended by the Third Amendment No. 5212C dated _____, 2021 (collectively, the “Contract”); and

WHEREAS, the parties hereto desire to amend this Contract as set forth herein.

NOW, THEREFORE, in consideration of the covenants and conditions hereinafter contained to be kept and performed by the respective parties hereto, IT IS MUTUALLY AGREED that the Contract BE AMENDED AS FOLLOWS:

Section 1.0 The first sentence of subsection 3.2 of Section 3.0, Contractor Scope and Fee, is deleted in its entirety and replaced with the following:

“The compensation to Contractor shall not exceed Seven Million Six Hundred Seventy-Fourth Thousand Nine Hundred Thirty-Two Dollars (\$7,674,932) for the term of the Contract.”

Section 2.0 It is understood and agreed by and between the parties hereto that, except as specifically provided herein, this Forth Amendment shall not in any manner alter, change, modify, or affect any of the rights, privileges, duties or obligations of either of the parties hereto under or by reason of the Contract and except as expressly amended herein, **all** terms, covenants, and conditions of the Contract and all amendments thereto, shall remain in full force and effect.

Section 3.0 This Fourth Amendment may be executed in counterparts, including counterparts that are manually executed and counterparts that are in the form of electronic records and are electronically executed. An electronic signature means a signature that is executed by symbol attached to or logically associate with a record and adopted by a party with the intent to sign such record, including facsimile or e-mail signatures. All executed counterparts shall constitute one agreement, and each counterpart shall be deemed an original. The parties hereby acknowledge and agree that electronic records and electronic signatures, as well as

facsimile signatures, may be used in connection with the execution of this Fourth Amendment and electronic signatures, facsimile signatures or signatures transmitted by electronic mail in so-called PDF format shall be legal and binding and shall have the same full force and effect as if a paper original of this Fourth Amendment had been delivered that had been signed using a handwritten signature. All parties to this Fourth Amendment (i) agree that an electronic signature, whether digital or encrypted, of a party to this Fourth Amendment is intended to authenticate this writing and to have the same force and effect as a manual signature; (ii) intended to be bound by the signatures (whether original, faxed, or electronic) on any document sent or delivered by facsimile or electronic mail or other electronic means; (iii) are aware that the other party(ies) will rely on such signatures; and, (iv) hereby waive any defenses to the enforcement of the terms of this Fourth Amendment based on the foregoing forms of signature. If this Fourth Amendment has been executed by electronic signature, all parties executing this document are expressly consenting, under the United States Federal Electronic Signatures in Global and National Commerce Act of 2000 ("E-SIGN") and the California Uniform Electronic Transactions Act ("UETA") (California Civil Code §1633.1 et seq.), that a signature by fax, e-mail, or other electronic means shall constitute an Electronic Signature to an Electronic Record under both E-SIGN and UETA with respect to this specific transaction.
