

**CITY OF LOS ANGELES**  
INTER-DEPARTMENTAL MEMORANDUM

Date: October 5, 2021

To: The Honorable City Council, City of Los Angeles  
c/o City Clerk, Room 395, City Hall  
Attention: Honorable Mike Bonin, Chair, Transportation Committee

From: Seleta J. Reynolds, General Manager   
Department of Transportation

Subject: **ESTABLISHMENT OF OVERNIGHT PARKING DISTRICT NO. 566 IN THE WILSHIRE PARK  
AREA OF COUNCIL DISTRICT 4**

**SUMMARY**

The Los Angeles Department of Transportation (LADOT) recommends the establishment of Overnight Parking District (OPD) No. 566 in the Wilshire Park area of Council District (CD) 4.

**RECOMMENDATIONS**

1. FIND that the Los Angeles Police Department (LAPD) should have the primary responsibility for the enforcement of the authorized overnight parking restriction in OPD No. 566, with support from LADOT Parking Enforcement, since the reported problems involve criminal activity.
2. FIND that the establishment of this OPD is exempt from the California Environmental Quality Act (CEQA) as a Class I Categorical Exemption, under Article III.1.a.3 of the 2002 Los Angeles City CEQA Guidelines.
3. ADOPT the attached Resolution establishing OPD No. 566, pursuant to Section 80.54 of the Los Angeles Municipal Code (LAMC), to include all blocks bounded by the block segments enumerated below:
  - centerline to the south side of Wilshire Boulevard between Crenshaw Boulevard and Wilton Place
  - Wilton Place between Wilshire Boulevard and Olympic Boulevard
  - centerline to the north side of Olympic Boulevard between Wilton Place and Crenshaw Boulevard
  - centerline to the east side of Crenshaw Boulevard between Olympic Boulevard and Wilshire Boulevard
4. AUTHORIZE the posting or removal of the "NO PARKING 2 AM TO 6 AM; DISTRICT NO. 566 PERMITS EXEMPT" parking restriction on all residential street segments within OPD No. 566, except for areas where parking is prohibited at all times in the interest of traffic flow or public safety.

5. INSTRUCT LADOT to initiate the necessary procedures to prepare, issue, and collect payments for overnight parking permits from the residents of OPD No. 566 in accordance with Section 80.54 of the LAMC.
6. DIRECT LADOT, upon City Council adoption of the Resolution establishing the District, to post or remove the authorized parking restriction upon written instructions from the Council Office.

## **BACKGROUND**

The establishment of OPD No. 566, pursuant to LAMC Section 80.54, is exempt from the CEQA Guidelines as a Class 1 Categorical Exemption, under Article III.1.a.3 of the 2002 Los Angeles City CEQA Guidelines. The City Council has the authority, pursuant to LAMC Section 80.54, to establish by resolution, Parking Districts with the appropriate boundaries and authorize parking restrictions to be in effect on the streets thereof from 2 AM to 6 AM. The resolution establishing an OPD shall state the maximum number and type of Overnight Parking Permits that may be issued to any one dwelling. The resolution shall also establish the fee charged for each type of OPD permit.

## **DISCUSSION**

On June 9, 2019, LADOT received a letter from Councilmember David E. Ryu requesting the establishment of OPD No. 566, to include the area bounded by the blocks enumerated in Recommendation No. 3 above. Additionally, Councilmember Ryu staff submitted a letter dated June 20, 2019, from LAPD Area Captain, Patricia A. Sandoval in support of the establishment of OPD No. 566. The letters from both Councilmember Ryu and LAPD Area Captain Sandoval indicate that the OPD is needed to deter property crimes, loitering, and public drinking. On November 30, 2020, CD 4 staff submitted a new letter from Councilmember Ryu and LAPD Area Captain Sandoval with a revision of the blocks to be included within the OPD. On September 29<sup>th</sup>, 2021, staff for the new Councilmember of CD 4, Nithya Raman, submitted an email to LADOT, confirming that Councilmember Raman would like to continue forward with the proposal of OPD No. 566.

## **COORDINATION**

Councilmember Nithya Raman and the LAPD, in consultation with LADOT, concluded that an OPD, which restricts parking without a permit from 2 AM to 6 AM, is the best solution available at this time to provide relief for the residents.

## **FISCAL IMPACT STATEMENT**

Revenue from the sale of permits will cover the cost of implementing, administering, and enforcing OPD No. 566. Additionally, violations of the posted parking restrictions may result in citation fines deposited into the General Fund.

**Re: Request for Overnight Parking District for the Wilshire Park Area**

Ms. Reynolds:

Over the last several months, my staff has been working with the Los Angeles Police Department and the residents of the neighborhood of Wilshire Park to address problems including property crimes, loitering and drinking in public that are detrimental to the public welfare by non-residents of the described neighborhood whom park overnight in the area. Although problems at this location could be resolved by prohibiting parking, a parking restriction would also create a burden on the residents of this neighborhood who rely on the availability of on-street parking.

At this time, the most appropriate solution to this problem is the implementation of an Overnight Parking District (OPD), which would deter criminal activities that result from non-residents parking during overnight hours (2 am to 6 am), but would allow residents with permits to be exempt from these restrictions. My staff has worked with the residents of the area by collecting petitions and I validate that the petitions have met the petition requirement of the OPD program. Furthermore, the residents have shared their eagerness to purchase permits to allow them to be exempt from the nighttime parking restrictions.

The segments to be included in this OPD are as follows:

- Bronson Avenue between 5th Street and Olympic Boulevard
- Norton Avenue between 5th Street and Olympic Boulevard
- 5th Avenue between 8th Street and Olympic Boulevard
- 4th Avenue between 9th Street and Olympic Boulevard
- 3rd Avenue between 9th Street and Olympic Boulevard
- Westchester Place between 8th Street and Olympic Boulevard
- Van Ness Avenue between 5th Street and Olympic Boulevard
- 5th Street between Bronson Avenue and Wilton Place

(Segments continue on the next page.)

- Wilton Place between 5th Street and Olympic Boulevard
- Ingraham Street between Norton Avenue and Wilton Place
- 7th Street between Norton Avenue and Wilton Place
- Leeward Avenue between Norton Avenue and Wilton Place
- 8th Street between Bronson Avenue and Wilton Place
- 9th Street between 5th Avenue and Wilton Place
- San Marino Street between Westchester Place and Wilton Place

I request that the Department of Transportation proceed with the approval process and implementation of this Overnight Parking District. If you have any questions, please contact Rob Fisher of my staff at (323) 957-6415.

Thank you for your prompt attention to this matter.
