**Comments for Public Posting:** I urge the full City Council to continue to support and expand the Al Fresco dining program. My wife and I and our friends want to continue to support the huge variety of culinary options offered in Los Angeles. With the pandemic still with us we are seeking out only restaurant that offer safe outdoor dining. We hope to continue to enjoy outdoor dining after the pandemic fades. It is important that the city minimizes the bureaucracy and permitting red tape so restaurant can continue to thrive and we can continue to enjoy the wonderful outdoor dining experiences we have come to love.
