Council File No: 17-0447

Comments for Public Posting: Hi my name is Wendy Miranda and I am a resident of Wilmington. I am urging the city council to move forward the pending motion on the oil drilling ordinance and approve it by the end of the year. The recent catastrophic oil spill that occurred in Orange County has showed us how dangerous oil extraction is and in Wilmington, residents have been experiencing oil spills at first hand where it has impacted our health such as having asthma, cancer, and more. Our communities have been waiting for over a year for the motion to go to City Council and we ask you to act with the same kind of urgency that other elected officials are showing in response to the oil spill in Orange County. I am also urging my council member, Joe Buscaino, to stop ignoring the communities you represent. Stand up for residents who are impacted by oil extraction. Again, our ask is very simple: no drilling where we're living.?
