**Comments for Public Posting:** Really disappointed in the fact that the city wants to remove the ATM MACHINE from the liquor store. I live across the street and there is no ATM that close by that I can walk to safely! The fact that you know this community is not one of the safest to take THE ATM MACHINE away is very discerning. It's like your telling this community to hell with your safety. Walk to 7-11 on CENTURY walk to the nearest grocery store on FIGUEROA STREET which also well known to not be the safest street. Not to mention the homeless folks who have created their own little city I wouldn't feel safe walking to NUMERO UNO GROCERY store. I hope this doesn't fall upon deaf ears or blind eyes. I hope that you understand the inconvenience you would put this community in removing THE ATM MACHINE from DICKS MARKET. Sometimes I get off to late from work to go anywhere but this market to get cash or miscellaneous items. Closing the store early and removing the ATM is not the best thing for our neighborhood
