Comments for Public Posting: I am writing in strong support of council file 21-4118-S1. I live on the same street as Angelica's daycare and have watched the negative impact the encampments on De Longpre and Gower Avenues have had on their family-owned business. Councilman O'Farrell's actions will improve the quality of life for housed and unhoused residents. This designation makes the housed and unhoused community members safer and is a needed step to reclaim public space that can be used by all people living in the City of Los Angeles, and allows the unhoused to be connected with resources and put on a path that gets them inside in a safe environment. Thank you to Councilman O'Farrell for including Angelica's daycare in this designation.
