to support the OTS Programs for the period October 20, 2021 through June 30, 2022.

SUMMARY

The Community Investment for Families Department (CIFD) requests retroactive authority to accept two grant awards and execute grant agreements with the State of California Office of Traffic Safety (OTS) to provide safety programs for a one-year period from October 1, 2021 through September 30, 2022. The first grant award of \$151,000 is for the Child Passenger Safety Program to provide child passenger safety education, training, and free car seats to low-income City residents. The second grant award of \$235,000 is for the Pedestrian and Bicycle Safety Program to provide pedestrian and bicycle safety education training focused on children and senior citizens citywide, particularly those in low-income communities. The OTS allocates funds on a competitive basis and requires jurisdictions to submit an application every year to continue program service provision. Grant funds finance service delivery personnel, related costs, travel, educational materials, and procurement of safety equipment. No matching funds are required for the OTS grants. Additional information regarding both grants and programs can be found in the CIFD transmittal dated September 13, 2021 (Report).

The CIFD also requests resolution authority for two, part-time Student Professional Workers to assist the OTS programs. The part-time employees' responsibilities will include the following: 1) preparing program material for training workshops and presentations; 2) procuring child safety seats and safety equipment and supplies; and, 3) assisting with outreach efforts and distribution of safety equipment. A total of \$22,820 of the grant funds will fund the two Student Professional Worker positions, in accordance with the grant agreement budgets. This Office supports the addition of the two positions within the CIFD, but does not recommend resolution authority since the work is intermittent in nature and the positions are As-Needed classifications. Instead, this Office recommends authorizing the positions as substitute authorities through the end of the fiscal year while the Student Professional Worker classification is added to the As-Needed section of the CIFD's Department Personnel Ordinance through the 2022-23 budget process. This action will enable the Department to employ persons in the classification on an as-needed basis, within budgeted funds, through the rest of the grant period and in subsequent fiscal years.

Pedestrian and Bicycle Safety Program Contracts

The CIFD also requests authority to negotiate and execute Professional Service Agreements (Agreements) with five of the 16 FamilySource Centers (FSC) agencies to provide community services for the Pedestrian and Bicycle Safety Program. Subsequent to the release of its Report, the CIFD provided a draft Pedestrian and Bicycle Safety Program Agreement, which is attached to this report for the Mayor and Council's consideration. A Charter Section 1022 Determination is not required for the proposed Agreements because the labor component of the Agreements is less than \$25,000 each.

Reserve Fund Loan Request

The CIFD also requests authorization of a Reserve Fund Loan in the amount of \$50,000 to provide

cash flow for the Pedestrian and Bicycle Safety Program through the end of the grant period. The CIFD indicates that the Reserve Fund loan is necessary to reimburse the FSC agencies for their incurred costs as soon as the agency invoices are approved by the CIFD. The FSC agencies currently experience a delay in payment since they submit invoices to the CIFD after each community event for the Program, yet CIFD is only able to submit quarterly grant reimbursement requests to the OTS in accordance with the grant agreement. Instead of authorizing a Reserve Fund loan for this purpose, this Office recommends increasing appropriations from the grant funds to the CIFD's Contractual Services Account to enable the Department to process the payments as soon the invoices are received. The General Fund will front-fund the expenses and will be reimbursed for the costs upon receipt of the grant funds.

This Office concurs with the Department's recommendations, as amended, to include the following: 1) revised Controller instructions to reflect the CAO's recommendation to address the contractual services cash flow need; and, 2) an instruction to the CAO to approve substitute authority for the two Student Professional Worker positions. The CIFD concurs with the revised recommendations.

FISCAL IMPACT STATEMENT

There is no impact to the General Fund. The Child Passenger Safety Program and Pedestrian and Bicycle Safety Program will be funded by the Office of Traffic Safety grant awards.

FINANCIAL POLICIES STATEMENT

The recommendations in this report comply with the City's Financial Policies.

Upon receipt of the notice of termination, the Contractor shall immediately take action not to incur any additional obligations, costs or expenses, except as may be necessary to terminate its activities. The City shall pay the Contractor its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by the Contractor to effect the termination. Thereafter, the Contractor shall have no further claims against the City under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights the City is entitled to, shall become the City property upon the date of the termination. The City's default notice will indicate whether the default may be cured and the time period to cure the default to the sole satisfaction of the City. Additionally, the City's default notice may offer the Contractor an opportunity to provide the City with a plan to cure the default, which shall be submitted to the City within the time period allowed by the City. At the City's sole discretion, the City may accept or reject the Contractor's plan. If the default cannot be cured or if the Contractor fails to cure within the period allowed by the City, then the City may terminate this Contract due to the Contractor's breach of this Contract.
2. If the default under this Contract is due to the Contractor's failure to maintain the insurance required under this Contract, the Contractor shall immediately: (1) suspend performance of any services under this Contract for which insurance was required; and (2) notify its employees and Subcontractors of the loss of insurance coverage and Contractor's obligation to suspend performance of services. 6. In the event the City terminates this Contract as provided in this section, the City may procure, upon such terms and in the manner as the City may deem appropriate, services similar in scope and level of effort to those so terminated, and the

Contractor shall be liable to the City for all of its costs and damages, including, but not limited to, any excess costs for such services.

7. A. No City-funded Employees as Board Members

B. Code of Conduct

2. Further, the City requires compliance with the following conflict of interest requirements for all City funded contractors.

C. Conflict of Interest

1. Prior to obtaining the City's approval of any subcontract, the Contractor shall disclose to the City any relationship, financial or otherwise, direct or indirect, of the Contractor or any of its officers, directors or employees or their immediate family with the proposed subcontractor and its officers, directors or employees.
2. The Contractor covenants that none of its directors, officers, employees, or agents shall participate in selecting, or administrating any subcontract supported (in whole or in part) by City funds (regardless of source) where such person is a director,

officer, employee or agent of the subcontractor; or where the selection of subcontractors is or has the appearance of being motivated by a desire for personal gain for themselves or others such as family business, etc.; or where such person knows or should have known that:

- a. A member of such person's immediate family, or domestic partner or organization has a financial interest in the subcontract;
- b. The subcontractor is someone with whom such person has or is negotiating any prospective employment; or
- c. The participation of such person would be prohibited by the California Political Reform Act, California Government Code §87100 et seq. if such person were a public officer, because such person would have a "financial or other interest" in the subcontract.

3. Definitions:

- a. The term "immediate family" includes, but is not limited to, domestic partner and/or those persons related by blood or marriage, such as husband, wife, father, mother, brother, sister, son, daughter, father-in-law, mother-in-law, brother-in-law, sister-in-law, son-in-law, and daughter-in-law.
- b. The term "financial or other interest" includes, but is not limited to:
 - (1) Any direct or indirect financial interest in the specific contract, including a commission or fee, a share of the proceeds, prospect of a promotion or of future employment, a profit, or any other form of financial reward.
 - (2) Any of the following interests in the subcontractor ownership: partnership interest or other beneficial interest of five percent (5%) or more; ownership of five percent (5%) or more of the stock; employment in a managerial capacity; or membership on the Board of Directors or governing body.
- c. A subcontract is any agreement entered into by Contractor for the purchase of goods or services with any funds provided by this Agreement.

D. Minutes of Board Meetings must reflect disclosure of transactions where Board Members may have had a direct or indirect interest/benefit in the action.

E. No director, officer, employee (or agent) of the Contractor may be on the Board of Directors if they receive any financial benefit provided by any City Agreement.

F. The Contractor further covenants that no officer, director, employee, or agent shall solicit or accept gratuities, favors, anything of monetary value from any actual or

potential subcontractor, supplier, a party to a sub agreement, (or persons who are otherwise in a position to benefit from the actions of any officer, employee, or agent).

- G. The Contractor shall not subcontract with a former director, officer, or employee within a one (1) year period following the termination of the relationship between said person and the Contractor.
- H. For further clarification of the meaning of any terms used herein, the parties agree that references shall be made to the guidelines, rules, and laws of the City of Los Angeles, State of California, and Federal regulations regarding conflict of interest.
- I. The Contractor warrants that it has not paid or given and will not pay or give to any third person, any money or other consideration for obtaining this Agreement.
- J. The Contractor covenants that no member, officer or employee of Contractor shall have interest, direct or indirect, in any contract or subcontract or the proceeds thereof for work to be performed in connection with this project during his/her tenure as such employee, member or officer or for one (1) year thereafter.
- K. The Contractor shall incorporate the foregoing subsections of this Section into every agreement that it enters into in connection with this project, and shall substitute the term "subcontractor" for the term "Contractor" and "sub-subcontractor" for "Subcontractor".
- L. The Contractor warrants that it has adopted and shall comply with the Code of Conduct, as approved by the City that meets the foregoing requirements.

§447 City's Additional Remedies

Contractor acknowledges and agrees that nothing contained in this Agreement is, represents, or is intended to be construed as: a release, compromise, settlement, or waiver by City of any cause of action that City may have against Contractor. City reserves its rights in full, including, but not limited to, the right to bring any claim, cause of action, or request for reimbursement against Contractor in relation to this Agreement and other transactions between City and Contractor.

§448 Payment Does Not Imply Acceptance of Work

The granting of any payment by City, or the receipt thereof by Contractor, in no way lessens the liability of Contractor to replace unsatisfactory work, equipment, or materials although the unsatisfactory character of this work, equipment or materials may not have been apparent or detected at the time the payment was made. Materials, equipment, components, or workmanship that do not conform to the requirements of this Agreement may be rejected by City and upon rejection must be replaced by Contractor without delay.

§449 Work Not In Scope of Services

Contractor shall immediately notify CIFD in writing of any work that is requested to be performed that is outside of the original scope of work covered by this Agreement and Section 202 above. If it is determined that the request is outside of the scope of work, Contractor shall not perform the requested work unless and until (i) the City’s designated contract administrator approves the request in writing and authorizes the use of any contingency funds for the work, and (ii) an amendment providing for an adjustment in Contractor’s compensation, and the scope of work, is approved and executed by both parties.

§450 COVID-19 Notification (If Applicable)

The Contractor shall immediately notify City in the event that any person who has performed services for Contractor (including, but not limited to, employees, volunteers and contractors) at a site operated by City, on behalf of City, or under this Agreement, (1) has been diagnosed with COVID-19, (2) has been informed by a medical professional that the person is likely to have COVID-19, or (3) meets the criteria for isolation under the most current County of Los Angeles Public Health Officer Order for the Control of COVID-19: Public Health Emergency Isolation Order: http://publichealth.lacounty.gov/media/Coronavirus/docs/HOO/HOO_Coronavirus_Blanket_Isolation.pdf.

§451. Prohibition Against Duplication of Benefits

Section 312 (42 U.S.C. 5155) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, as amended (42 U.S.C. 5121 et seq.) prohibits duplication of benefits for programs that provide financial assistance to people or entities suffering losses because of a major disaster or emergency. “Duplication of benefits” occurs when Federal financial assistance is provided to a person or entity through a program to address losses resulting from a Federally-declared emergency or disaster, and the person or entity has received (or would receive, by acting reasonably to obtain available assistance) financial assistance for the same costs from any other source (including insurance), and the total amount received exceeds the total need for those costs. Contractor must establish and maintain adequate procedures to prevent any duplication of benefits with concurrent grant funds. The City will issue additional guidance to facilitate compliance with this requirement.

§452. Compliance with Current Applicable Safety Protocols and Laws

The Contractor, and any of its subcontractors, if applicable, shall comply with any and all safety protocols, current laws, regulations, and public health orders related to the COVID-19 pandemic to ensure the health and safety of both the Contractor’s employees, any subcontractors, and the public.

Employees of Contractor and/or persons working on its behalf, including, but not limited to, subcontractors (collectively, “Contractor Personnel”) must be fully vaccinated against the novel coronavirus 2019 (“COVID-19”) prior to (1) interacting in person with City

employees, contractors, or volunteers, (2) working on City property while performing services under this Agreement, and/or (3) coming into contact with the public while performing services under this Agreement (collectively, “In-Person Services”). “Fully vaccinated” means that 14 or more days have passed since Contractor Personnel has received the final dose of a two-dose COVID-19 vaccine series (Moderna or Pfizer-BioNTech) or a single dose of a one-dose COVID-19 vaccine (Johnson & Johnson/Janssen) and all booster doses recommended by the Centers for Disease Control and Prevention. Prior to assigning Contractor Personnel to perform In-Person Services, Contractor shall obtain proof that such Contractor Personnel has been fully vaccinated. The Contractor shall retain such proof for the document retention period set forth in this Agreement. The Contractor shall grant medical or religious exemptions to Contractor Personnel as required by law.

§502. Ratification Clause

Due to the need for the Contractor’s services to be provided upon commencement of the Term, Contractor may have provided services prior to the execution of this Agreement. To the extent that said services were performed in accordance with the terms and conditions of this Agreement, those services are hereby ratified and accepted.

§503 Counterparts and Electronic Signatures

This Agreement may be executed in one or more counterparts, and by the parties in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. The parties further agree that facsimile signatures or signatures scanned into .pdf (or signatures in another electronic format designated by City) and sent by e-mail shall be deemed original signatures.

§504 Number of Pages and Attachments

This Agreement is executed in three (3) duplicate originals, each of which is deemed to be an original. This Agreement includes **thirty-three (33) pages**, and six (6) exhibits, which constitute the entire understanding and agreement of the parties. GENERAL INFORMATION

1. **Agreement/Reference** All evidence of insurance should identify the nature of your business with the CITY. Clearly show any assigned number of a bid, contract, lease, permit, etc. or give the project name and the job site or street address to ensure that your submission will be properly credited. Provide the **types of coverage and minimum dollar amounts** specified on the Required Insurance and Minimum Limits sheet (Form Gen. 146) included in your CITY documents.

2. **When to Submit** Normally, no work may begin until a CITY insurance certificate approval number (“CA number”) has been obtained, so insurance documents should be submitted as early as practicable. For **As-needed Contracts**, insurance need not be submitted until a specific job has been awarded. **Design Professionals** coverage for new construction work may be submitted simultaneously with final plans and drawings, but before construction commences.

3. **Acceptable Evidence and Approval** Electronic submission is the preferred method of submitting your documents. **KwikComply** is the CITY’s online insurance compliance system and is designed to make the experience of submitting and retrieving insurance information quick and easy. The system is designed to be used primarily by insurance brokers and agents as they submit client insurance certificates directly to the City. It uses the standard insurance industry form known as the **ACCORD 25 Certificate of Liability Insurance** in electronic format. KwikComply advantages include standardized, universally accepted forms, paperless approval transactions (24 hours, 7 days per week), and security checks and balances. The easiest and quickest way to obtain approval of your insurance is to have your insurance broker or agent access **KwikComply** at <https://kwikcomply.org/> and follow the instructions to register and submit the appropriate proof of insurance on your behalf.

Contractor must provide City a thirty (30) day notice of cancellation (ten (10) days for nonpayment of premium) AND an Additional Insured Endorsement naming the CITY an additional insured completed by your insurance company or its designee. If the policy includes an automatic or blanket additional insured endorsement, the Certificate must state the CITY is an automatic or blanket additional insured. An endorsement naming the CITY an Additional Named Insured and Loss Payee as Its Interests May Appear is required on property policies. All evidence of insurance must be authorized by a person with authority to bind coverage, whether that is the authorized agent/broker or insurance underwriter.

Additional Insured Endorsements DO NOT apply to the following:

- Indication of compliance with statute, such as Workers' Compensation Law.
- Professional Liability insurance

Verification of approved insurance and bonds may be obtained by checking **KwikComply**, the CITY's online insurance compliance system, at <https://kwikcomply.org/>.

4. **Renewal** When an existing policy is renewed, have your insurance broker or agent submit a new Acord 25 Certificate or edit the existing Acord 25 Certificate through KwikComply at <https://kwikcomply.org/>.

5. **Alternative Programs/Self-Insurance** Risk financing mechanisms such as Risk Retention Groups, Risk Purchasing Groups, off-shore carriers, captive insurance programs and self-insurance programs are subject to separate approval after the CITY has reviewed the relevant audited financial statements. To initiate a review of your program, you should complete the Applicant's Declaration of Self Insurance form (<http://cao.lacity.org/risk/InsuranceForms.htm>) to the Office of the City Administrative Officer, Risk Management for consideration.

6. **General Liability** insurance covering your operations (and products, where applicable) is required whenever the CITY is at risk of third-party claims which may arise out of your work or your presence or special event on City premises. **Sexual Misconduct** coverage is a required coverage when the work performed involves minors. **Fire Legal Liability** is required for persons occupying a portion of CITY premises. (Information on two CITY insurance programs, the SPARTA program, an optional source of low-cost insurance which meets the most minimum requirements, and the Special Events Liability Insurance Program, which provides liability coverage for short-term special events on CITY premises or streets, is available at (www.2sparta.com), or by calling (800) 420-0555.)

7. **Automobile Liability** insurance is required only when vehicles are used in performing the work of your Contract or when they are driven off-road on CITY premises; it is not required for simple commuting unless CITY is paying mileage. However, compliance with California law requiring auto liability insurance is a contractual requirement.

8. **Errors and Omissions** coverage will be specified on a project-by-project basis if you are working as a licensed or other professional. The length of the claims discovery period required will vary with the circumstances of the individual job.

9. **Workers' Compensation and Employer's Liability** insurance are not required for single-person contractors. However, under state law these coverages (or a copy of the state's Consent To Self Insure) must be provided if you have any employees at any time during the period of this contract. Contractors with no employees must complete a Request for Waiver of Workers' Compensation Insurance Requirement (<http://cao.lacity.org/risk/InsuranceForms.htm>). A Waiver of Subrogation on the coverage is required only for jobs where your employees are working on CITY premises under hazardous conditions, e.g., uneven terrain, scaffolding, caustic chemicals,

toxic materials, power tools, etc. The Waiver of Subrogation waives the insurer's right to recover (from the CITY) any workers' compensation paid to an injured employee of the contractor.

10. **Property** Insurance is required for persons having exclusive use of premises or equipment owned or controlled by the CITY. Builder's Risk/Course of Construction is required during construction projects and should include building materials in transit and stored at the project site.

11. **Surety** coverage may be required to guarantee performance of work and payment to vendors and suppliers. A Crime Policy may be required to handle CITY funds or securities, and under certain other conditions. Specialty coverages may be needed for certain operations. For assistance in obtaining the CITY required bid, performance and payment surety bonds, please see the City of Los Angeles Contractor Development and Bond Assistance Program website address at <http://cao.lacity.org/risk/BondAssistanceProgram.pdf> or call (213) 258-3000 for more information

12. **Cyber Liability & Privacy** coverage may be required to cover technology services or products for both liability and property losses that may result when a CITY contractor engages in various electronic activities, such as selling on the Internet or collecting data within its internal electronic network. Contractor's policies shall cover liability for a data breach in which the CITY employees' and/or CITY customers' confidential or personal information, such as but not limited to, Social Security or credit card information are exposed or stolen by a hacker or other criminal who has gained access to the CITY's or contractor's electronic network. The policies shall cover a variety of expenses associated with data breaches, including: notification costs, credit monitoring, costs to defend claims by state regulators, fines and penalties, and loss resulting from identity theft. 3. The prospective recipient of Federal assistance funds shall provide immediate written notice to the person to which this agreement is entered, if at any time the prospective recipient of Federal assistance funds learns that its certification was erroneous, when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Orders 12459 and 12689.
