**Comments for Public Posting:** Cutting the hours of Dicks liquor is a burden. There is no other place to go after 10pm around 93rd. The staff is friendly and have been doing a great job following the covid standards. Over the past year there has been an obvious decrease in loitering out front of the store to the point where it is non-existent. They have armed guards that bring a mass amount of safety and comfort to those who are just going in for a quick stop. It's Holiday season and I'm sure the employees need their hours to pay for bills and holiday expenses for gifts for their families. They need to keep their regular hours of operation. It's my favorite store.
