Comments for Public Posting: You create the problem by unlawfully, and unethically mandating Vaccines and instituting Vaccine Passports (hello Germany!) and then YOU want to know how a CITY Dept, that you will be dismantling will be able to keep staffing???? Try this: DON'T mandate a vaccine on condition of employment. Wondering when we will be issued yellow stars to hang in our windows and around our necks. Wondering also when your illustrious leader, who is fully vaccinated will be returning from his trip to Glasgow. "Mandated that you are Vaccinated!!!" You can still get it and shed it.
