SUMMARY

On April 4, 1993, a Memorandum of Agreement (MOA) was executed between the City, the Governor’s Office of Emergency Services and the Federal Emergency Management Agency (FEMA), establishing the Los Angeles Fire Department (LAFD) as a sponsoring agency of a FEMA Urban Search and Rescue (US&R) Task Force, California Task Force 1 (CA-TF1). An Amendment to the MOA was executed in 2011 (C.F. 10-2283-S1). Since 1993, the City has been awarded annual FEMA Cooperative Agreement grants to fund equipment, supplies, training, contractual services, and LAFD personnel to administer and manage the US&R CA-TF1 program.

The LAFD was awarded \$1,238,878 for the 2021 FEMA US&R program, with a period of performance from September 1, 2021 through August 31, 2024. No matching funds are required, but the grant is on a reimbursement basis requiring the LAFD to front-fund expenditures. Following submission of appropriate supporting documentation, FEMA reimburses the City for those expenditures.

The expenditure plan is as follows:

Personnel Costs:

- \$577,951 – (direct and indirect costs) to fund continuing resolution authorities for one Fire Captain I (C.F. 08-2490), one Management Analyst (C.F. 08-2490) and one Storekeeper II (C.F. 16-0600) to administer and manage the US&R program. Continued employment authority for these positions from July 1, 2021 through June 30, 2022 are included in the Personnel Authority Resolution (PAR) awaiting authorization by City Council (C.F. 21-1700, previous PAR authority

C.F. 20-1700) in anticipation of continued grant funding. If FEMA grant funding for the US&R program continues in subsequent years, employment authority for these three positions will continue to be effected through the PAR.

Personnel Training Costs:

- \$179,400 – to fund back-fill of members assigned to specialized training on search and rescue activities in responding to emergency incidents.

Contractual Services/Expenses/Equipment:

- \$481,527 – to fund contracts personal services (Canine Specialists, Medical Team Managers, Structural Engineering Specialists, maintenance of medical supplies through a Pyxis machine), travel expenses, supplies and equipment for program operations.

Sole source service contracts have been executed with three Canine Search Specialists, eight Medical Team Managers, and eight Structural Engineering Specialists. The above service providers are currently contracted with the City under the 2020 FEMA grant.

Due to the specialized nature of the work performed in responding to emergency incidents, sole source contracts have been approved by the City Attorney as set forth under the City Charter Section 371(e)(2), which states that competitive bidding shall not apply to, "Contracts, as determined by the contracting authority, for the performance of professional, scientific, expert, technical, or other special services of a temporary and occasional character for which the contracting authority finds that competitive bidding is not practicable or advantageous."

It should be noted that while expenditures to these contractors related to the 2020 FEMA Cooperative Agreement grant will be within the funding allocations, each contract cites a maximum amount up to \$99,000. This higher limit is necessary because these contractors are also subject to deployment by FEMA to nationally declared disasters outside the City. Under these circumstances, the City would be reimbursed by FEMA through a federal funding source separate from the 2020 FEMA Cooperative Agreement grant.

A contract has been executed with CareFusion Solutions, LLC dba BD for a Pyxis medicine automated dispensing system, which will be monitored by the LAFD Pharmacists. The machine provide a locked and secure storage for the CA-TF1 medical cache.

FISCAL IMPACT

There is no impact on the General Fund. The FEMA Urban Search and Rescue grant agreement does not require City matching funds. In accordance with grant guidelines, project funds are disbursed on a reimbursement basis.

1. Approve and transmit the report to the Mayor and the Office of the City Administrative Officer for Committee and City Council consideration.
