**Comments for Public Posting:** I don't agree with the redistricting for LAUSD. I live in South Gate and our community is being clustered with Mt. Washington and Hollywood. The proposal is not fair for our community. Please revise and don't vote on the proposed ones!!!! Thank you, María Calvillo

**Comments for Public Posting:** The two hostile motions by Cedillo and Krekorian are still on the table that impact CD 10. Vote against these hostile motions. Chief Legislative Analyst report on Redistricting: [https://clkrep.lacity.org/onlinedocs/2020/20-0668-S7\\_misc\\_12\\_11-5-21.pdf](https://clkrep.lacity.org/onlinedocs/2020/20-0668-S7_misc_12_11-5-21.pdf) Note page 24 which shows the impact of motion 46B. Results in a significant population loss of 9,102 people. Note page 41 which shows the impact of motion 46J. Results in a significant population loss of 6,117 people. Shame on Councilmembers Krekorian and Cedillo for authoring motions that seek to attack CD10 by removing parts of the district. This is just another attack by this council to further disenfranchise CD10 residents. Your rushed vote three weeks ago to suspend Councilmember Ridley-Thomas was your first act of disenfranchisement. Shame on you. Why is a Valley member (Councilmember Krekorian) trying to interfere with a South LA seat? I urge this Council to vote no on both motions: 46B and 46J. Keep CD10 the way it is. And stop trying to disenfranchise my community. Thank you.
