Comments for Public Posting: I fully support the City of Los Angeles recognizing the Santa Monica Mountains Conservancy as a trustee agency pursuant to the California Environmental Quality Act. Our future depends on thoughtful development plans that cause the least environmental harm as well as preserving undeveloped lands and promoting biodiversity. Thank you, Ann Dorsey Northridge, CA 91325

Comments for Public Posting: I support this City Council item. It makes perfect sense to ensure the agency with expertise and experience with this habitat become an integral part of the chain of decisions made on behalf or against the sustainability of this unique environment.
