**Comments for Public Posting:** I support City Council actions to protect wildlands and the life within them. The reinterpretation of The Mulholland Scenic Parkway Specific Plan, which removed non-visible projects from the jurisdiction of the Design Review Board, is disturbing. Regulations regarding natural area development need to be strengthened not weakened. Our future depends on thoughtful development plans that cause the least environmental harm as well as preserving undeveloped lands and promoting biodiversity. Thank you, Ann Dorsey Northridge, CA 91325
