Comments for Public Posting: Hi, I live on North Hobart Blvd. in Los Feliz. It is incredibly frustrating that the new map keeps *nearly* all of Los Feliz whole in school district 2, but does not extend the extra three streets to Western Ave., north of Franklin, to truly keep the Los Feliz neighborhood all within the same schools. Western is not only the Los Feliz line but also a strong physical delineator and very busy street for school children to cross - it makes a natural district line. Excluding N Hobart, N Serrano, and N Oxford from the rest of Los Feliz makes no sense. I strongly hope the map will be revised, moving the district 2 line to Western so that all school children in Los Feliz can stay together and not have to cross major thoroughfares to get to school. Thank you
