**Comments for Public Posting:** City Council, I would like to submit a comment in support of approving eminent domain to allow the construction of the Exposition-West Bikeway-Northvale Segment Project (the Northvale Gap). As someone who commutes to the westside, the Northvale Gap has represented an unfortunate hurdle in my bike commute and also makes it challenging for those who want to try out biking as an alternate option to driving. Projects such as this will help support Angelenos who simply want another way to get around, instead of just being stuck in traffic. Thank you! Emily 90011
