Comments for Public Posting: My name is Edgar Escobar I am a Los Angeles stakeholder in Los Angeles, a resident of CD 5 As a Phase 2 Applicant I have endured a long 3 year process in this La City Social Equity Program. It is time for the LA Social Equity Program to really be Protected and Prioritized. I am asking the City Council to support DCR's recommendations to amend the City's Cannabis Policies consistent with the recommendations in their October 29, 2021, report. Furthermore, I am asking the LA City Cannabis Commission vote to oppose the amended motion (CF 21-1083 amended 11.5.21) unless specific provisions that have unintentional negative impacts to Social Equity, are removed.

Comments for Public Posting: My name is Lisa Greene and I am a social equity advocate. I am speaking on behalf of Roxanne Salazar a Phase 3 part 1 retail applicant. Any advocacy group, union or person that supports motion council file no 21-1083 as amended is in support of predatory investors and management companies. Any advocacy group, union, or person that supports the recommendations being made by DCR and are truly interested in making sure that the social equity program in Los Angeles succeeds. If you do not agree to amend council file 21-1083 as recommended by DCR, I would urge the city council to not adopt the motion as it stands.
