Comments for Public Posting: I am a mother of 3 LAUSD students from District 5. I do not agree with the proposed redistricting map. I feel it is not equitable to all areas. How is fair that the south east communities will not have proper representation? I urge you to reconsider so that all students are equally represented. Thank You

Comments for Public Posting: Hi! I am a member of Padres Unidos of South Gate. We represent hundreds of parents and community members who agreed that we needed to change SELA. The Map that was proposed (1B) finally separated us from Noth East LA. The communities of Maywood, Huntington Park and Cudahy agreed with that. It makes no sense to keep LD 5 as is, the gerrymandering is evident. SELA is a group of cities with interests in common, our culture and beliefs, our needs are similar. We have voted and asked to change the map so many times. It is time to make justice to the marginalized community of SELA. We vote to cut the cord from NELA, we need to be free!

Comments for Public Posting: I don't support the redistricting map as has been proposed by the commissioners. It looks that commissioners are persuing their own benefit and personal agendas, specifically LAUSD District 2 new boundaries.

Comments for Public Posting: Estoy en desacuerdo que aprueben el Mapa para las comunidades del Distrito 5 ,No hay equidad ni dan la oportunidad a representantes en estas Areas .Por lo que nuestras Escuelas no tienen los mismos recursos que otros distritos .esoeramos sean concientes de nuestra peticion de una manera equitativa y no quedarnos por el periodo de 10 Años sin ninguna representacion ,necesitamos por lo menos 2 lugares para nuestros representantes y no quedarnos sin voz ni voto .nos gustaria con todo respeto nos escucharan .nuestras escuelas de nuestra comunidad necesitan de toda su total ayudapor el bien de nuestros hijos y el futuro de su Educacion,,gracias sin mas por el momento.
