Comments for Public Posting: Please support the stance taken by Friends of Griffith Park and support Alternative 1. FoGP is made up of long-time park stewards and residents in the adjacent area. Zoos are increasingly out of favor and it would be ironic to let an organization with a conservation mission destroy 23 acres of native habitat, including 227 LA City-protected trees. The full project is counter to City priorities, including the Biodiversity Report and the LA Sustainability Plan and the LA Zoo can still benefit from zoo animal care improvements and many visitor amenities if Alternative 1 is implemented. Thanks for your consideration.
