The Byzantine Latino Quarter-Pico Business Improvement District's Annual Planning Report for the 2022 fiscal year is presented with this transmittal for City Council's consideration as "Attachment 1."

**BACKGROUND**

The Byzantine Latino Quarter-Pico Business Improvement District was established on August 9, 2018 by and through the City Council's adoption of Ordinance No. 185687 which confirmed the assessments to be levied upon properties within the District, as described in the District's Management District Plan. The Council established the District pursuant to State Law.

with respect to that fiscal year, shall contain all of the following: any proposed changes in the boundaries of the district or in any benefit zones within the district; the improvements and activities to be provided for that fiscal year; an estimate of the cost of providing the improvements and activities for that fiscal year; the method and basis of levying the assessment in sufficient detail to allow each real property owner to estimate the amount of the assessment to be levied against his or her property for that fiscal year; the amount of any surplus or deficit revenues to be carried over from a previous fiscal year; and the amount of contributions to be made from sources other than assessments levied.

The attached Annual Planning Report, which was approved by the District's Board at their meeting on October 29, 2021, complies with the requirements of the State Law and reports that programs will continue, as outlined in the Management District Plan adopted by the District property owners.
