

## Communication from Public

**Name:** Rosie Dwyer

**Date Submitted:** 11/30/2021 09:52 AM

**Council File No:** 21-1223

**Comments for Public Posting:** In Los Angeles, speeding cars are out of control and a public safety threat to us all, including those that drive them. I am very happy that the city is moving towards implementation of AB-43, and looking to reduce speed limits wherever possible. Please support this council file and move as quickly as possible in lowering speed limits!
