Comments for Public Posting: I am very much AGAINST the expansion of the zoo. Stop ruining our planet to try and make extra money. It's abhorrent.

Comments for Public Posting: Please support Alternative 1 ? • Don't destroy 23 acres of native habitat, including 227 LA City-protected trees • The full project is counter to City priorities, including the Biodiversity Report and the LA Sustainability Plan • The LA Zoo will still benefit from zoo animal care improvements and many visitor amenities if Alternative 1 is implemented Friends of Griffith Park believe in the importance of keeping Griffith Park as natural as possible, because when that acre of land, those endangered trees or that open field is gone, it's gone forever.

Comments for Public Posting: PLEASE only adopt Option ONE for the expansion of the zoo. Keep natural habitats intact and keep the old-growth trees. NO LARGE EVENTS CENTER or VISITOR CENTER!!
