Re: CF #21-1222, Permanent Slow Streets

Dear City Council,

The Mid City West Neighborhood Council **SUPPORTS** CF #21-1222.

As one of the first neighborhood councils in the City of Los Angeles to take advantage of LADOT's Slow Streets program, we enthusiastically support the City making Slow Streets permanent.

In addition, we encourage the City to budget additional money towards expanding the program, both to areas that don't yet have Slow Streets, and to areas that wish to expand existing Slow Streets. Ultimately, we believe a city-wide network of Slow Streets can serve as LA's Neighborhood Enhanced Network (as defined on our Mobility Plan 2035), expanding opportunities for those that wish to walk, run, bike, or scoot around town.

Sincerely,

Michael Schneider
Vice Chair
Mid City West Neighborhood Council
