Comments for Public Posting: Good morning, I would like to speak with someone concerning Case# 21-1025. This item was continued on the December 7, 2021 Planning and Land Use Management Committee meeting. PCEC would like to ask that this item be continued until late February or Early March of 2022. Our attorney will not be available until that time and he will be speaking on behalf of PCEC. You can reach me at 661-809-4956. Thank you
