Comments for Public Posting: I cannot think of a more vile betrayal of the public trust than this motion- To strike out a part of the CA Constitution WITHOUT a vote of the people is, to me, treason- you are ELECTED politicians- not rulers, not emperors-not kings- over paid, corrupt, sneaky, vicious, loathsome vile ELECTED representatives= the only people this City Council represents are criminals and their developer buddies- You have forgotten you are supposed to represent the VOTERS!!! WE PAY YOUR FUCKING SALARY- and your only thought is to take away our rights? What sort of monsters are you- you certainly pulled the wool over the people's eyes when you gained their trust- You have been given MILLIONS of our tax dollars to build housing- and the only thing you have accomplished is padding your wallets as well as those of the developers-and built a few overpriced units that most of your constituents couldn't afford- and you want to give them to drug addled mentally ill people who won't be able to take care of the housing- because they can't take care of themselves- YOU have done absolutely NOTHING to get the mentally ill into treatment so that they can live on their own- I realize you want us to live in a Communist state- but you may be a bit premature- You all disgust me- you all should be in jail
