**Comments for Public Posting:** To whom it may concern; I'm writing to ask you to reconsider the destruction of the wild nature of Griffith Park with an expansion to the zoo. Not only does the vastness of the park bring joy to the community it also is home to many creatures. With an expansion of the zoo you will be creating another example of taking something so simple and beautiful like Griffith Park and trading it for a concrete pay day! Please do not continue with the building of this expansion, it's unnecessary and does not benefit the community. Thank you for your time
