**Comments for Public Posting:** Hello my name is Zella Knight and I'm the President of the Residents United Network-Los Angeles. We have taken a strong stand against any 41.18 motion as we believe this is not the answer. RUN-LA is comprised of several people who have experienced homelessness. We understand how difficult living conditions are on the street. Adding the destabilizing effects of being moved with no viable housing option, especially during this omicron spike, makes things harder and is demoralizing. It is also frankly dangerous. We hope that you reject items 1, 2, and 3.
