Council File No. 21-0896

Honorable Members:

Pursuant to your action in Council File No. 21-0896, this Office has prepared and now transmits for your consideration the enclosed draft ordinance, approved as to form and legality. The draft ordinance grants a new private line franchise (Franchise) to Los Angeles World Airports (Franchisee), a proprietary department of the City.

Background

The draft ordinance permits the Franchisee to construct and maintain four 4-inch conduits, in the public rights-of-way connecting the buildings and facilities located at 9160 S. Loyola Boulevard in the City of Los Angeles. The authorized purpose of construction of this private line telecommunications facility is to secure a telecommunications link between buildings and facilities controlled by the Franchisee, which link would not be possible without permission to cross the City's public right-of-

way separating the two, or more, structures. Pursuant to City Council request, the franchise fee to be paid for the 21-year term of this Franchise has been waived, as has the requirement for the Franchisee to post any performance bond. This Franchise will expire on June 30, 2042.

If you have any questions regarding this matter, please contact Assistant City Attorney Michael Dundas at (213) 978-8130. He or another member of this Office will be available when you consider this matter to answer questions you may have.

Sincerely,

MICHAEL N. FEUER, City Attorney
