Comments for Public Posting: Don't do it. Nobody asked for it. Kevin de Leon shouldn't be making decision without checking with Boyle Heights first. It will lead to the renaming of more streets without our say which would lead to more erasure of our history. We already had Brooklyn Ave renamed to Cesar Chavez who hated immigrants.

Comments for Public Posting: Please don't change the name of our street. nobody asked and it's not right to impose things on on our neighborhood without our consent . Street names have a history and people have ties to those names being from those streets. Thank you
