

## BUDGET & FINANCE

### MOTION

The Third Council District (CD 3) has received a request to donate one (1) surplus truck to the City of Carson. Section 22.547 of the Los Angeles Administrative Code (LAAC) provides that upon Council approval, surplus City equipment may be sold for less than market value to a governmental entity if the cost to discard, recycle, or transport the surplus equipment would impose a net financial cost to the City. The truck would be used for various asphalt street repairs and other projects in the City of Carson. As the costs of maintenance and disposal of the truck would impose a net financial cost to the City, the City of Carson is eligible for this below market value sale of surplus equipment. The truck would be used to provide basic street services for the residents of the City of Carson. The fair market value of the truck is \$5,000, which will be foregone revenue should it be donated.

I THEREFORE MOVE that the City Council:

1. Find that the City of Carson is eligible to purchase one (1) surplus tack truck (VIN# 2NP2H28XOLM701104) at below market value (\$1.00), in accordance with LAAC Sec. 22.547 (Donation of Surplus City Equipment), as the recipient is a governmental agency and the cost to discard, recycle, or transport the surplus equipment would impose a net financial burden to the City; and
2. Request the City Attorney to prepare a contract to effectuate the sale and transfer of the above identified surplus equipment at below market value to the City of Carson; and
3. Instruct the City Clerk to inform the City of Carson [Eliza Jane Whitman, Director of Public Works, City of Carson, 701 East Carson Street, Carson, CA 90745, (310) 952-1754] that the surplus equipment must be claimed within 60 days from the date of Council approval of the request after which time it will revert to the City's surplus equipment pool for disposal by the Department of General Services.
