TO Council	DATE 01-26-22	COUNCIL FILE NO.
FROM Proposition K – L.A. For Kids Steering Committee	COUNCIL DISTRICT 4, 11	

At its meeting held on November 18, 2021, the L.A. for Kids Steering Committee adopted the recommendations of the attached Department of Recreation and Parks (RAP) report, which is hereby transmitted for Council consideration. Adoption of the report recommendation would authorize RAP to submit applications for Measure A grant funds for two capital improvement projects and to authorize RAP's General Manager to accept any grand funds subsequently awarded.

RAP is requesting authorization to apply for two capital improvement grants in accordance with the Park Improvement Plan (PIP), Venice Beach Pier Improvement (Phase 2) and Griffith Park (Riverside Drive Area) Improvement. RAP will submit the grants to the County under Category 3 (Natural Lands, Local Beaches, Water Conservation and Protection) and Category 4 (Regional Recreation, Multi-use Trails and Accessibility) Annual Allocation Program. RAP also requests advance authorization to execute the grant agreement(s) if awarded because RAP will need to comply with a 16-day deadline to execute grant agreement(s) once awarded. The RAP Board approved this request at its October 21, 2021 meeting. RAP submitted the grant applications on October 28, 2021. If these grant requests are successfully awarded, RAP anticipates grant agreements to be executed by Spring/Summer 2022. Measure A was approved by L.A. County voters in 2016 to provide an estimated total annual funding allocation of \$96.8 million across the County in perpetuity.

As RAP utilizes potential grant awards to complete new developments and improvements, the Department will be able to offset a portion of any incremental increase in operations and maintenance (O&M) costs with Measure A maintenance and servicing funds. There is a potential General Fund impact for O&M costs that are not offset by Measure A funding sources, that would be addressed through the City's annual budget process following acquisition and/or the completion of the respective projects.

SUMMARY

RAP respectfully requests the Board of Recreation and Park Commissioners (Board) to authorize RAP to submit two grant applications for two capital improvement project scopes

BOARD REPORT

PG. 2 NO. 21-172

for funding consideration under RPOSD's 2021 Measure A competitive grant program. If these grant applications are successfully awarded, RAP anticipates grant agreements to be executed by Spring/Summer 2022. RAP requests advanced authorization to execute the grant agreement(s) if awarded, subject to Mayor and City Council approval, because RAP has a 16 day deadline to execute grant agreement(s) once awarded per RPOSD Grant Guidelines.

Should RAP be successful in receiving grant awards for the two projects, the staff will conduct community outreach and engagement in accordance with the RPOSD guidelines to provide the respective communities with opportunities to provide feedback on the project plans and designs.

Venice Beach Pier Improvement (Phase 2)

Address: 3100 Ocean Front Walk, LA CA 90292 (adjoining Washington Blvd)

Grant Request: \$1,000,000

RAP will submit a grant application under the *Category 3 - Natural Lands, Local Beaches, Water Conservation and Protection* Grant Program. The Pier is a 1,310-foot-long and 16-foot-wide structure, supported by 157 vertical and battered 24" diameter concrete piles, ranging in length of approximately 35 feet to 80 feet. Twelve (12) individual fishing stations jut out on alternating sides and its end consists of a 120-foot diameter round platform.

The project scope of work for Phase 2 consists of the refurbishment of the Venice Beach Pier (Pier), which has been damaged over time, as well as repairs to be done to the Pier's ramp structure, which was damaged by a fire in 2018. Due to limited funding, the project is being completed in phases. The RAP Board approved the final plans for the repair to the Pier on May 7, 2020 detailing the two phases. (Board Report# 20-064) A grant from RPOSD will fund Phase two of this project.

Griffith Park (Riverside Drive Area) Improvement

Address: 3401 Riverside Dr. Los Angeles CA 90027

Grant Request: \$920,000

RAP will submit a grant application under the *Category 4 - Regional Recreation, Multi-use Trails and Accessibility* Grant Program. This project is presently unfunded. If RAP successfully receives a grant award, RAP will design and implement this project which will include development of multipurpose bike and pedestrian path(s) and trail(s) to improve connectivity between the Griffith Park Riverside Drive Recreational Area and the nearby LA River, including the Class I LA River bike path. The project will include path of travel improvements, wayfinding signage, trailhead improvements, parking lot upgrades, fencing, and various site amenities.

HISTORICAL BACKGROUND

In 2016, Los Angeles County (County) voters approved Measure A, which provides the City of Los Angeles formula-based annual allocations for capital improvement projects under Community-based Park Investment Program (Category 1) and Neighborhood Parks, Healthy Communities, & Urban Greening Program (Category 2); competitive grants for capital

BOARD REPORT

PG. 3 NO. 21-172

improvement projects and recreational access programs under Natural Lands, Local Beaches, Water Conservation and Protection (Category 3); Regional Recreation Facilities, Multi-use Trails and Accessibility (Category 4); and additional competitive grants for Youth and Veteran Job Training and Placement (Category 5) as well as Implementation, Operations and Oversight Category. Additional annual allocations are available under Maintenance and Servicing Program to offset Proposition A and Measure A funded capital projects. Funding through the Measure A grant program will be generated in perpetuity through the collection of a parcel tax, with an estimated total annual funding of \$96.8 million across the County. In October 2018, City Council designated the L.A. For Kids Steering Committee as the administering entity for Measure A with RAP serving as the Grant Administrator (Council File 18-0611).

The 2021 competitive grant cycle has a submission deadline of October 28, 2021 and includes the following three grant programs. For each of three grant programs, the grant award size is a minimum of \$50,000 up to a maximum of \$1,000,000 per grantee.

- I. *Category 3 - Natural Lands, Local Beaches, Water Conservation and Protection* General Competitive Program projects should improve and protect open space, watersheds, and water resources through acquisition, development, improvement, and restoration, of multi-benefit park projects that promote, improve, or protect clean local water supplies, habitat improvements, park space, recreation, public access, watershed health, and open space, including improvements or restoration of areas that buffer our rivers, streams, and their tributaries along with the lakes and beaches throughout the County. Priority will be given to projects offering the greatest regional benefit or serving the greatest regional need. The total amount of funding available for this grant program cycle is up to \$14.1 million.
- II. *Category 4 - Regional Recreation, Multi-use Trails and Accessibility* competitive grants program has an objective to improve and connect regional recreational facilities, trails and accessibility projects. Greater priority will be given to trail and accessibility projects that connect river, mountain, and urban areas, especially to County Parks, State Parks, the National Forest, the National Recreation Area(s), and the National Monument(s), and that link other canyons and regional and local parks throughout the County. The amount of funding available for this grant program cycle is up to \$11.1 million.
- III. *Acquisition-for* has an objective to acquire land for project types included in the Category 3 - Natural Lands, Local Beaches, Water Conservation and Protection Competitive Program or the Category 4 - Regional Recreation, Multi-Use Trails and Accessibility Competitive Program. The amount of funding available for this grant program cycle is up to \$8.2 million.

A minimum of thirty percent of the funding will be awarded to projects in High or Very High Need Study Areas, as defined by the most recent Countywide Parks Needs Assessment. Venice Beach Pier is located in Study Area 106 which is categorized as a very high need area while Griffith Park is located in Study Area 103 which is categorized as a moderate need area.

G. Performance and Development

1. The Grantee agrees to promptly submit any reports that RPOSD may request.

3. If the Project includes acquisition of real property, the Grantee agrees to furnish RPOSD with evidence of title, such as preliminary title reports. RPOSD, at its sole discretion, shall determine whether the evidence is acceptable under this Agreement. The Grantee agrees in negotiated purchases to correct, prior to or at the close of escrow, any defects of title

The cost of permanent signage development is reimbursable through the grant. RPOSD will provide electronic samples of its graphics for the grantee to use in signage development. Please refer to the Grants Administration Manual for additional information on this requirement.

Measure (Measure A), approved by voters on November 8, 2016

GRANT AGREEMENT

1. The Grantee must submit requests for payment electronically in accordance with their reimbursement schedule. Refer to RPOSD Grant Administration Manual for Payment Reimbursement Schedule and Procedures.
 - i) The Grantee will supply RPOSD any copies of executed contracts where the Grantee expects reimbursement from grant funds.
 - ii) Upon entering into any contract for the construction, maintenance, operation or similar activity related to the Project, the Grantee agrees it will require said contractor to carry adequate insurance required by RPOSD and naming RPOSD as an additional insured party. In addition, said insurance must require that the Grantee and RPOSD be given thirty (30) days advance written notice of any modification or cancellation of said insurance. The Grantee agrees to submit proof of such insurance to RPOSD for its prior approval.
2. RPOSD may disburse to the Grantee the grant funding as follows:

Acquisition

- i) When acquisition is by negotiated purchase, RPOSD may disburse the amount of RPOSD-approved purchase price together with RPOSD-approved costs of acquisition.
- ii) RPOSD-approved purchase price shall not exceed the value contained in a valid appraisal report.
- iii) When acquisition is allowed pursuant to Measure A through eminent domain proceedings, RPOSD may disburse the amount of the total award, as provided for in the final order of condemnation, together with RPOSD-approved costs of acquisition. The Grantee shall bear all costs and make all advances associated with obtaining an order of immediate possession in an eminent domain proceeding.
- iv) In the event the Grantee abandons such eminent domain proceedings, the Grantee agrees that it shall bear all costs in connection therewith and that no grant monies shall be disbursed for such costs.

Development

- i) RPOSD will disburse funds to the Grantee only after RPOSD has reviewed and approved all requested development documents including the payment request with incurred, paid project costs and supporting documentation in accordance with their reimbursement schedule.
- ii) RPOSD may withhold a portion of the amount of the payment request if an expenditure is not eligible under the terms and conditions of this Agreement, Measure A, or the Application or the Grant Administration Manual.

Measure (Measure A), approved by voters on November 8, 2016

GRANT AGREEMENT

- iii) The Grantee shall submit a request(s) for payment in accordance with an approved budget.
- iv) The payment requests shall set forth in detail the incurred costs of work performed on development of the Project and whether performance was by construction bid contract, job order contract, sole-source contract, force account or other methods.
- v) RPOSD will not make final payment until it has received all closing documents from the Grantee and RPOSD has made a final Project inspection.
- vi) The Grantee is required to follow RPOSD procedures to close grant upon completion of the project. Failure to properly close a grant may affect the Grantee's Good Standing and prevent Grantee from applying for future grants or receive reimbursements from existing RPOSD Grants.

L. Advancing Funds

- i) The Grantee, if in Good Standing has provided the Grantee's need for an advance, may request an advance of grant funds for an amount equaling up to 50% of the grant amount. Please refer to the Grant Administration Manual for eligibility and qualification requirements to receive advances.
- ii) Any unused portion of the advanced funding must be returned to the District within 30 days of the completion of the grant.

M. Final Disbursement

1. The Grantee must submit final project documents within 180 days after the date of completion of all tasks identified in the budget, timeline and project description for the grant.
2. RPOSD may withhold Final Payment pending evidence of placement of permanent signage.
3. Once the Grant is completed, the Grantee shall submit a final report to RPOSD detailing the accomplishment of and expenditures related to the Project (the "Final Report") including the final Grant Cost. The Grantee will provide a report that identifies all additional funding and all additional aspects of the project completed.
4. The Grant is "complete when all facilities, trails or other improvements included in the Project have been built and are ready for their intended use". Final payment may not be made until the Project conforms substantially with this Agreement and the Grants Administration Manual.

Measure (Measure A), approved by voters on November 8, 2016

GRANT AGREEMENT

5. RPOSD shall pay the outstanding balance of the Grant (the “Final Payment”), subject to any reduction contemplated by any provision of this Agreement.

N. Long Term Obligations

1. With the written consent of RPOSD, the Grantee may transfer property acquired with funds granted under this Agreement to another public agency; to a nonprofit organization authorized to acquire real property for park, wildlife, recreation, community, open space, or gang prevention and intervention purposes; or to the California Department of Parks and Recreation, National Park Service, or the US Forest Service, provided that approval by the District is obtained prior to the change and any such successor to the recipient assumes the obligations imposed under the Measure and to accept assignment of this Agreement. Under these conditions, the Grantee shall not be required to reimburse RPOSD. Any such transfer must require the nonprofit or public entity acquiring the property to enter into a written Contract with the RPOSD and agreed to comply with the terms of Measure A and this Agreement. (See Grant Administration Manual for details.)
2. The Grantee agrees to provide for reasonable public access to lands acquired in fee with grant monies, including the provision of parking and public restrooms, except that access may interfere with resource protection.
3. (*Change of Use*) The Grantee agrees to use the property acquired or developed with grant monies under this Agreement only for the purpose for which it requested RPOSD grant funding and will not permit any other use of the area, except as allowed by prior specific act of the Board of RPOSD and consistent with the terms and conditions of Measure A and this Agreement.
4. All facilities shall be open to members of the public generally, except as noted under the special provisions of the Agreement.
5. The Grantee agrees that property and facilities acquired or developed with Measure A funds as per this Agreement shall be available for inspection upon RPOSD’s request in perpetuity.
6. The Grantee agrees to maintain and operate in perpetuity the property acquired, developed, rehabilitated or restored with grant monies, subject to the provisions of Measure A. With RPOSD’s prior written approval, the Grantee, or its successors in interest in the property, may transfer the responsibility to maintain and operate the property to a nonprofit or government entity, in accordance with this Agreement and the Grants Administration Manual.
7. The Grantee agrees to take all reasonable measures to actively oppose, at its sole expense, any proposal or attempt to act upon, exercise, or assert claims as to reserved rights to the grant funded property that are contrary to the purposes of the Measure,

GRANT AGREEMENT

Grant Administration Manual and or this Agreement, including but not limited to oil, gas, and other hydrocarbon substances; minerals; water; and/or riparian resources. The above notwithstanding, the Grantee has no obligation hereunder to initiate litigation challenging any project or proposal based on a reserved right lawfully recorded against the grant funded property in real property records maintained by the Los Angeles County Recorder's Office.

8. The Grantee shall not discriminate against any person on the basis of race, color, sex, sexual orientation, age, religious belief, national origin, marital status, physical or mental handicap, medical condition, or place of residence in the use of any property or facility acquired or developed pursuant to this Agreement.

O. Disposal

1. If the Grantee receives the prior permission of RPOSD, with the approval of its Board, to sell or otherwise disposes of property acquired or developed with grant monies provided under this Agreement, the Grantee shall reimburse RPOSD in an amount to the greater of:
 - i) the amount of grant monies provided under this Contract;
 - ii) the fair market value of the real property determined by an independent appraisal; or
 - iii) the proceeds from the portion of the property acquired, developed, improved, rehabilitated or restored with grant monies.

The Grantee must provide documentation to RPOSD detailing the benefits that the disposal of property will provide to the taxpayers of Los Angeles County.

2. If the property is sold or otherwise disposed of with the prior permission of the RPOSD, acting through the Board of Supervisors, is less than the value of the property originally acquired, developed, improved, rehabilitated or restored with the grant monies, then the Grantee shall reimburse the RPOSD an amount to the greater of:
 - i) the amount of the proceeds; or
 - ii) the fair market value of the real property determined by an independent appraisal.

P. Audit

1. In order for allowable costs to be substantiated, the Grantee agrees to use an accounting system that complies with generally accepted accounting principles.
2. Notwithstanding Government Code Section 907, in the event that the Grantee fails to repay RPOSD in full for the amount of excepted expenditures, RPOSD may offset an

amount equal to the excepted expenditures from any monies that may be due to the Grantee under the terms and conditions of Measure A. Through the execution of this Agreement, the Grantee waives its rights under Government Code Section 907.

3. The Grantee agrees that during regular office hours, RPOSD or their duly authorized representatives shall have the right to audit, inspect and make copies of any books, records or reports of the other party pertaining to this Agreement or matters related thereto.
4. Within thirty (30) days of notification that an audit has resulted in the exception of expenditures, the Grantee may dispute the audit findings in writing and will provide RPOSD with records and/or documentation to support the expenditure claims. RPOSD shall review this documentation and make a final determination as to the validity of the expenditures.
5. If the Grantee has received all grant monies prior to the audit, or if remaining grant monies are insufficient, and if said audit reveals expenditures that cannot be verified or that were paid in violation of the terms of this Agreement, the Measure, or the Grant Administration Manual, the Grantee shall pay RPOSD an amount equal to these expenditures within sixty (60) days after receiving written notification of the expenditures disallowed and the reason for the disallowance.
6. The Grantee agrees to maintain satisfactory financial accounts, required documents and accurate records for the Project.
7. The Grantee must keep all original project records for a period of ten (10) years from the project completion or termination date. If said audit reveals expenditures that cannot be verified or that were paid in violation of the terms of this Agreement, the Measure or the Grant Administration Manual, RPOSD may, at its discretion, reduce the grant amount by an amount equal to these expenditures.
8. At RPOSD's discretion, an audit of the Grantee's Project expenditures before final payment is made may be performed. Nothing in this section precludes RPOSD from performing an audit of Project expenditures at a later date.

Q. Failure to Comply

1. Failure by the Grantee to comply with the terms of this Agreement, or any other Contract established pursuant to Measure A, may be cause for loss of Good Standing, suspension or termination of all obligations of RPOSD hereunder.
2. Failure of the Grantee to comply with the terms of this Agreement shall not be cause for the suspension of all obligations of RPOSD hereunder if, in the judgment of the RPOSD, such failure was beyond the reasonable control of the Grantee. In such case, any amount

required to settle, at minimum cost, any irrevocable obligations properly incurred shall be eligible for reimbursement under this Agreement.

R. Severability

1. The Grantee may unilaterally rescind this Agreement at any time prior to the commencement of the Project.
2. If any provision of this Agreement is held invalid, that portion shall not affect other provisions of the Agreement that can be given effect without the invalid provision, and to this end the provisions of this Agreement are severable.
3. No provision of this Agreement is waived by the failure of RPOSD to enforce said provision.

S. Termination

1. Anything else in this Agreement or otherwise to the contrary notwithstanding, RPOSD may withdraw, in whole or in part, the Grant and/or terminate this Agreement, and/or seek a refund of payments already made if RPOSD determines in its discretion that:
 - i) facts have arisen, or situations have occurred that fundamentally alter the expectations of the parties or make the purposes for the Grant as contemplated infeasible or impractical;
 - ii) any material modifications in the scope or nature of the Project have occurred from that which was presented in the Grant Application and such material modifications have not received the prior written approval of RPOSD;
 - iii) any statement or representation made by the Grantee in the Grant Application, this Agreement, the Grant Status Update, back up documents, or otherwise is untrue, inaccurate or incomplete in any material respect;
 - iv) the results of RPOSD's review of the Grant Status Update are not acceptable to RPOSD;
 - v) the Project will not or cannot be completed by the Completion Date or any extensions granted thereto or delays in the implementation of the Project have occurred which, in RPOSD's judgment, make the Project impracticable;
 - vi) the Project will not or cannot be completed within the Budget or any approved modifications, or the total Project cost and/or the Grantee's matching funding are reduced;

GRANT AGREEMENT

- vii) title to or encumbrances against the Property are or become such that the Grantee is unable to complete the Project, or the Project and/or the Property are or become unavailable for public use.

T. Breach

The Grantee agrees that compliance with the terms of this Agreement will have significant benefits to Los Angeles County and its constituents. Because such benefits exceed the amount of grant monies furnished under these provisions, the Grantee agrees that any breach would result in incalculable loss, and therefore, any payment by the Grantee to RPOSD of an amount equal to the amount of the grant would be inadequate compensation. In the event that the Grantee breaches any of the terms, covenants, representations, or conditions of this Agreement, RPOSD may elect to enforce any and all remedies available at law or in equity, including without limitation, any of the following:

1. Prior to payment of Grant:
 - a. Withdraw the Grant and terminate this Agreement; and,
 - b. Deny the Grantee eligibility for participation in future grant program opportunities.
2. After payment (partial or full) of Grant:
 - a. Deny the Grantee eligibility for participation in future grant program opportunities;
 - b. Seek specific performance of the Grantee's obligations under this Agreement;
 - c. Receive reimbursement in full of disbursement made under this Agreement.

If RPOSD brings an action to enforce the terms of this Agreement, the Grantee shall be responsible to pay RPOSD's attorney's fees and costs, including expert witness costs, if RPOSD prevails in said action.

The foregoing remedies are cumulative and may be exercised independently or in combination and are not exclusive to one another or to any other remedies available at law or in equity. In the event RPOSD must pursue any remedy hereunder and is the substantially prevailing party, RPOSD shall be awarded its costs and reasonable legal fees, including costs of collection.

U. Counterparts

This Agreement may be executed in two or more counterparts, which shall, in the aggregate, be signed by all the Parties; each counterpart shall be deemed an original instrument against any party who has signed it. In the event of any disparity between the counterparts produced, the recorded counterpart shall be controlling.
