Comments for Public Posting: Hi Armando, I'm just writing to confirm our conversation the other day in which you clarified the procedure for updating our submission on the CEQA appeal of ENV-2020-4774-CE and VTT-82077-SL-2A for its return to the PLUM Committee, as necessitated by an error in the WLAAPC Decision Letter. My understanding was that we (William Wood and East Venice Neighborhood Association) could just send our updated or additional comments to you at this address for inclusion in the case file and distribution to the Committee members. However, I received the notice saying all submissions should go through this portal, so I may have mis-remembered. Should we submit our material here or to your email? Please let me know whether there's anything else we need to do or any deadlines we need to be aware of. Thanks again for your help, David Ewing EVNA
