RE: Support for Appointment of Mr. Steve Kang to Central Area Planning Commission

Dear Chair Harris-Dawson:

I write to express my support for Item 6, the appointment of Mr. Steve Kang to serve on the Central Area Planning Commission.

We are excited and pleased to hear that Mr. Kang is being considered as an appointee to the Central Area Planning Commission. Mr. Kang brings years of knowledge and wisdom about the community that he will be serving and brings a level of dedication rarely-seen. We know Mr. Kang from our work with Koreatown Youth and Community Center (KYCC) over the years, where he has been an invaluable resource helping our office connect with the community on pivotal quality of life issues. His commitment to empowering the communities that he serves is commendable.

Thank you for your consideration.

Sincerely,

KARLY KATONA

Caretaker, 10th Council District
