CODE TO UPDATE THE SCHEDULE OF CHARGES FOR EMERGENCY SERVICES

The Honorable City Council

Room 395, City Hall  
200 North Spring Street  
Los Angeles, California 90012

Council File No. 21-1056

Honorable Members:

On December 16, 2021, this Office transmitted for your consideration a draft ordinance that would amend Subsection (b) of Section 22.210.2 of Article 4, Chapter 10, Division 22 of the Los Angeles Administrative Code to update the schedule of charges for emergency services to increase basic life support and advanced life support ambulance transport fees.

Subsequent to this transmittal, the City Attorney's Office learned that the monetary amounts reflected on the chart contained in the draft ordinance for Advance Life Support (ALS) service and Basic Life Support (BLS) service reflected the existing dollar amounts without the recommended increases. Enclosed is a revised draft ordinance, approved as to form and legality, with that error corrected.

Council Rule 38 Referral

Pursuant to Council Rule 38, a copy of the revised draft ordinance was sent to the Los Angeles Fire Department with a request that any comments concerning the revised draft ordinance be presented directly to the City Council or its Committees when this matter is considered.

If you have any questions regarding this matter, please contact Assistant City Attorney Julie Raffish at (213) 978-8388. She or another member of this Office will be available when you consider this matter to answer questions you may have.

Sincerely,

MICHAEL N. FEUER, City Attorney
