RE: Vahid Khorsand

February 12, 2022

Appointment: Public Works Commissioner

Honorable City Council Members,

Having known and worked with Vahid at United Chambers of Commerce and his public service positions as Planning commissioner, Mayor's representative and most recently, Deputy for CM Blumenfield, he is most likely the best candidate ever nominated. With his background in the private financial industry and his dedicated work ethic of research and understanding of issues brought before him, he will bring a sensible and practical perspective to the Public Works Commission. Please don't pass up this opportunity to confirm him as a Commissioner.

Richard Fisk

Chair of Government Affairs

**Comments for Public Posting:** I have had the pleasure of knowing Vahid Khorsand for about 5 years now. We originally met at the Encino Chamber of Commerce where, within five minutes, I knew that he was THE person in the room getting things done. After that I would run into Vahid here and there but I would always heard his name whenever anything was being discussed by other leaders in the community. This is because he is THE person who gets things done. I then had the honor of winning an award that was being given out by the United Chambers. Vahid was again there, leading the cause and working brilliantly in tandem with the organization to help get things done efficiently, thoughtfully, and purposefully. That is who Vahid is and how passionate he is about doing the right things and not stopping until it 8s done properly. Working with him at CD3 has only convinced me more that when I need to get something done that is in the best interest of our community, it is Vahid who I reach out to. I am in complete support of Vahid Khorsand's appointment and look forward to watching him further fuel and support this great city of ours.
