

MOTION

The General City Purposes (GCP) portion of the 2021-2022 City Budget provides funds for neighborhood service enhancements in each Council District.

Tree trimming is an essential service provided by the City of Los Angeles. Well-trimmed trees increase visibility, improve public safety, and enhance streetscapes throughout the city. There is a great need for additional tree service for the historic olive trees in Chatsworth within Council District 12. This effort is of special benefit for the residents of the City and for CD 12 and deserves financial assistance from the City.

Sufficient funds are available in the Council District 12 portion of the Neighborhood Service Enhancements line item in the GCP portion of the 2021-2022 City budget for this purpose.

I THEREFORE MOVE that \$11,000 in the Council District 12 portion of the Neighborhood Service Enhancements line-item General City Purposes Fund No. 100-56, be transferred/ appropriated to the Bureau of Street Services Fund 100, Department 86, for tree services in Council District 12.

Account No. 1090

I FURTHER MOVE that the Bureau of Street Services be authorized to make any technical corrections or clarifications to the above fund transfer instructions in order to effectuate the intent of this motion.
