**Comments for Public Posting:** Dear Councilmembers, For many years I've had the good fortune to work with Vahid Khorsand, both as an active member of the community, as the west valley representative of Mayor Garcetti and most recently as Councilman Blumenfield's Planning Deputy. No matter what role he was filling at the time, Vahid has consistently demonstrated a deep commitment to the community and its people, always doing so with sincerity and humility. Vahid is honest, intelligent, thoughtful and pragmatic in his approach to solving complex and sensitive issues. His accessibility and approachability is unique in public service and I am confident that his appointment to the Board of Public Works will be of great benefit to the people of the City of Los Angeles. I know that Vahid will bring a breath of fresh air to the Board and his "valley perspective" as well as his prior experiences as a community activist, private sector businessman and public servant will be invaluable to his service on the Board of Public Works. I therefore fully and heartily endorse and support Vahid Khorsand's nomination to the Los Angeles City, Board of Public Works. Thank you for the opportunity to express my opinion and for your consideration. Brad Rosenheim
