**Comments for Public Posting:** I oppose motion in CF 22-0158, and any changes to the City's zoning regulations that would allow homeless shelters to be constructed by right in R1 areas, without regard to otherwise applicable zoning restrictions, location, or consideration of impacts on the community, and in any other zones where they are not currently allowed by right. I also oppose any proposal to make temporary or interim homeless shelters permanent, without regard to otherwise applicable zoning restrictions, location or consideration of impacts on the community. I would also want my Neighborhood Council to provide CIS on the proposed motion.

**Comments for Public Posting:** Hello, I STRONGLY oppose motion in CF 22-0158, and any changes to the City's zoning regulations that would allow homeless shelters to be constructed by right in R1 areas, without regard to otherwise applicable zoning restrictions, location, or consideration of impacts on the community, and in any other zones where they are not currently allowed by right. I also oppose any proposal to make temporary or interim homeless shelters permanent, without regard to otherwise applicable zoning restrictions, location or consideration of impacts on the community. I WALK TO GET TO TRADER JOES ETC and avoid the tents and homeless because they can be abusive toward me without solicitation. I would also want my Neighborhood Council to provide CIS on the proposed motion. This is required fir our safety. Thank you!
