RE: TRANSMITTAL FOR COUNCIL FILE NO. 22-0122

On February 17, 2022, the Energy, Climate Change, Environmental Justice, and River (ECCEJR) Committee considered Motion (De Leon – O’Farrell) relative to identifying the best geographic locations throughout the City that will maximize the efficient deployment of CARE and CARE+ resources, and the instruction for the Bureau of Sanitation, Department of General Services, and City Administrative Officer to report with a funding strategy to acquire sites for the Livability Services Division, and related matters. After providing an opportunity for public comment, the ECCEJR Committee approved the recommendations detailed in the Motion.

Pursuant to the multiple referral of this matter, the subject Council File is hereby transmitted to the Homelessness and Poverty Committee for consideration.

Sincerely,

Eric Villanueva, Legislative Assistant
Energy, Climate Change, Environmental Justice, and River Committee
