Comments for Public Posting: This resolution should be defeated. It runs counter to the majority sentiment and is another disingenuous attempt by Councilman Bonin to encourage unregulated temporary/permanent shelters for homeless without any construction of concurrent facilities for treatment of drugs and mental illness. 22-0158 will not help the homeless and will discourage those of LA's citizens who want responsible and pro-active supportive measures.

Comments for Public Posting: I oppose Council File Number 22-0158. Mike Bonin's proposal should ever be allowed.

Comments for Public Posting: I am in strong support of the city council motion to allow and encourage churches and houses of worship to provide permanent supportive housing to our homeless brothers and sisters by cutting the red tape that prevents project approval or slows down the approval process. THIS IS A CRISIS AND AN EMERGENCY!
