Summary: In a regular monthly meeting of the Westside Neighborhood Council, the board voted to oppose the Council motion 22-0158 , and specifically opposes any changes to the City's zoning regulations that would allow homeless shelters to be constructed without regard to otherwise applicable zoning restrictions, location or consideration of impacts on the community. We also oppose any proposal to make temporary or interim homeless shelters permanent, without regard to otherwise applicable zoning restrictions, location or consideration of impacts on the community.
