2. DIRECT the LAHD and the CAO to collaborate with the Department of City Planning, Department of Building and Safety and the Office of Finance to report on the feasibility of implementing the recommendations in the attached consultant report, contained in the LAHD report dated February 4, 2022, attached to the Council file 20-1203, that would significantly streamline the permitting, licensing, and funding of board and care facilities in need of rehabilitation or expansion in the City.
3. DIRECT the LAHD to identify staff to serve as the City Board and Care Liaison to provide support to the Los Angeles County (County) and City departments in implementing these activities to retain and preserve board and care facilities as a one year pilot program, and to assess the need for program expansion or maintenance in Fiscal Year (FY) 2022-2023 as well as needed resources in the FY 2023-2024 budget.
4. DIRECT the Chief Legislative Analyst (CLA) to monitor and report on state legislative efforts to augment board and care funding in the FYE2023 California budget, and to coordinate efforts with the City Board and Care Liaison to secure additional resources with the County.

Fiscal Impact Statement: The LAHD reports that at this time the proposed recommendations will have no impact on the General Fund. Neither the CAO nor the CLA has completed a financial analysis of this report.
