**RECOMMENDATION**

That the City Council authorize the Fire Chief, or designee, to execute the proposed Agreement between the Los Angeles Fire Department and Asereth Medical Services, Inc. to provide as-needed temporary licensed pharmacist staffing services for a term of three years, plus the authority to execute amendments for up to two one-year extensions, with an annual compensation not to exceed \$22,000, subject to the approval of the City Attorney as to form.

**SUMMARY**

The Los Angeles Fire Department (LAFD) requests authority to enter into an Agreement with Asereth Medical Services, Inc. (Asereth), for a term of three years, plus up to two one-year extensions, to provide as-needed temporary licensed pharmacist staffing services. The compensation for the Agreement will not exceed \$22,000 annually, including for any extensions.

The LAFD currently has a licensed Pharmacist to provide the daily services related to the Department's emergency medical services. This Agreement is requested to provide pharmacist services licensed by the California State Board of Pharmacy to procure, stock, store, and dispense controlled medications, according to protocols, on an as-needed basis when the Pharmacist is not available.

Lindsey L. Estes	
LLE Analyst 0150-10959-0005	City Administrative Officer

On July 20, 2021, the LAFD issued a Request for Proposals (RFP), and three proposals were received by the submittal deadline of August 31, 2021. Evaluators from the LAFD's Emergency Medical Services Bureau reviewed the eligible proposals, and it was determined that Asereth received the highest score.

In compliance with Los Angeles Administrative Code Section 10.5, Council approval is required because the term of the proposed contract exceeds three years.

On April 30, 2021, the Personnel Department made a Charter Section 1022 Determination that City employees have the expertise to perform the proposed work. Subsequently, our Office determined that the proposed work could be performed more feasibly by independent contractors because the work is of an intermittent nature and there is insufficient existing City staff to perform this work, as the LAFD is currently the only department that employs the Pharmacist classification.

### **FISCAL IMPACT STATEMENT**

There is no additional impact to the General Fund. Funding for this Agreement is available in the Targeted Destination Ambulance Services (Kaiser) Fund.

### **FINANCIAL POLICIES STATEMENT**

The action in this report is consistent with the City's Financial Policies in that current operations will be funded by current revenues.

**SUMMARY**

The Los Angeles Fire Department (LAFD) requires as-needed temporary pharmacists licensed by the California State Board of Pharmacy to procure, stock, store, and dispense controlled medications from LAFD facilities for Emergency Medical Services (EMS) personnel according to federal, state, and local protocols.

Currently, the LAFD has a licensed Pharmacist on staff to order, control, dispense and rectify controlled medications that are required for the daily delivery of emergency medical services by LAFD Paramedics, Advanced Practitioners and EMS Captains. To continue fulfilling its public safety responsibilities, the LAFD is in need of a contract with a staffing service that can provide as-needed temporary licensed pharmacist services that would continue the required services when the Pharmacist is unavailable.

On July 20, 2021, the LAFD issued a Request for Proposals (RFP) No. 2021-038-005 to seek proposals from qualified staffing services to provide as-needed temporary pharmacists licensed by the California State Board of Pharmacy to procure, stock, store and dispense controlled medication for EMS personnel located throughout LAFD facilities. Three proposals were received by the submittal deadline date of August 31, 2021.

An Evaluation Committee, comprised of personnel from the LAFD's Emergency Medical Services Bureau, reviewed and scored the eligible bid proposals based on the following criteria.

<b>Selection / Evaluation Criteria</b>	<b>Maximum Points</b>
Company Experience/Work History	60
Compliance with RFP Requirements	15
Proposed Rates and Fees	25
<b>Total Possible Points</b>	<b>100</b>

The evaluation scores of the three eligible proposers are listed below.

<b>Proposer</b>	<b>Evaluation Score</b> (Based on the average score of evaluators)
Asereth Medical Services, Inc.	87
LotusUSA, Inc.	68
COGENT Infotech Corporation	62

Of the three eligible proposers, Asereth Medical Services, Inc. (Asereth) received the top score of 87 points. Asereth has over 32 years of experience in Pharmacy and Allied Health Registry Staffing. In addition, they have extensive experience working with large agencies such as the LAFD, Los Angeles County Department of Health Services, Los Angeles County/USC Medical Center, Olive View-UCLA Medical Center and Harbor-UCLA Medical Center.

It is recommended that the agreement be awarded to Asereth as it was evaluated as the most qualified amongst the eligible proposers. The proposed term is for three (3) years, from January 1, 2022 through December 31, 2024, with the option for two (2) one year renewals of the Agreement. The maximum annual compensation is not to exceed \$22,000. The attached Agreement has been reviewed and approved by the City Attorney as to legal form.

### **RECOMMENDATIONS**

That the Board:

1. Approve and authorize the Fire Chief to execute an Agreement with Asereth Medical Services, Inc. for as-needed temporary licensed pharmacist staffing services for a three-year term, commencing on January 1, 2022 and ending on December 31, 2024, for a maximum annual compensation not to exceed \$22,000, with the authority for the Fire Chief to execute amendments to extend the term of the Agreement for up to two (2) additional years, exercisable in one-year increments, contingent on the availability of funds and the contractor having provided satisfactory services in the Agreement, and subject to review and approval by the City Attorney.

2. Transmit the Agreement to the Mayor for review and approval, in accordance with Executive Directive No. 3.

**FISCAL IMPACT**

Funding for this agreement is available in the Department's Targeted Destination Ambulance Services (Kaiser) Fund, Account 3844RA, not to exceed \$22,000 per yearly term. Subsequent funding is subject to the availability of funds in the Department's budget.

### PSC-2. Applicable Law, Interpretation and Enforcement

Each party's performance shall comply with all applicable laws of the United States of America, the State of California, and **CITY**, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. **CONTRACTOR** shall comply with new, amended, or revised laws, regulations, or procedures that apply to the performance of this Contract with no additional compensation paid to **CONTRACTOR**.

In any action arising out of this Contract, **CONTRACTOR** consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any federal, state or local law or regulation, the validity of the remaining parts, terms or provisions of this Contract shall not be affected.

### PSC-3. Time of Effectiveness

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

- A. This Contract has been signed on behalf of **CONTRACTOR** by the person or persons authorized to bind **CONTRACTOR**;
- B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;

#### **PSC-4. Integrated Contract**

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter of this Contract, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in the provisions of PSC-5 hereof.

#### **PSC-5. Amendment**

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-3.

#### **PSC-6. Excusable Delays**

Neither party shall be liable for its delay or failure to perform any obligation under and in accordance with this Contract, if the delay or failure arises out of fires, floods, earthquakes, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by the party or any of the party's Subcontractors), freight embargoes, terrorist acts, insurrections or other civil disturbances, or other similar events to those described above, but in each case the delay or failure to perform must be beyond the control and without any fault or negligence of the party delayed or failing to perform (these events are referred to in this provision as "Force Majeure Events").

Notwithstanding the foregoing, a delay or failure to perform by a Subcontractor of **CONTRACTOR** shall not constitute a Force Majeure Event, unless the delay or failure arises out of causes beyond the control of both **CONTRACTOR** and Subcontractor, and without any fault or negligence of either of them. In such case, **CONTRACTOR** shall not be liable for the delay or failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit **CONTRACTOR** to perform timely. As used in this Contract, the term "Subcontractor" means a subcontractor at any tier.

In the event **CONTRACTOR'S** delay or failure to perform arises out of a Force Majeure Event, **CONTRACTOR** agrees to use commercially reasonable best efforts to obtain the goods or services from other sources, and to otherwise mitigate the damages and reduce the delay caused by the Force Majeure Event.

#### **PSC-7. Waiver**

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

## **PSC-8. Suspension**

At **CITY'S** sole discretion, **CITY** may suspend any or all services provided under this Contract by providing **CONTRACTOR** with written notice of suspension. Upon receipt of the notice of suspension, **CONTRACTOR** shall immediately cease the services suspended and shall not incur any additional obligations, costs or expenses to **CITY** until **CITY** gives written notice to recommence the services.

## **PSC-9. Termination**

### **A. Termination for Convenience**

**CITY** may terminate this Contract for **CITY'S** convenience at any time by providing **CONTRACTOR** thirty days written notice. Upon receipt of the notice of termination, **CONTRACTOR** shall immediately take action not to incur any additional obligations, costs or expenses, except as may be necessary to terminate its activities. **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to effect the termination. Thereafter, **CONTRACTOR** shall have no further claims against **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights **CITY** is entitled to, shall become **CITY** property upon the date of the termination. **CONTRACTOR** agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

### **B. Termination for Breach of Contract**

1. Except as provided in PSC-6, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, **CITY** may give **CONTRACTOR** written notice of the default. **CITY'S** default notice will indicate whether the default may be cured and the time period to cure the default to the sole satisfaction of **CITY**. Additionally, **CITY'S** default notice may offer **CONTRACTOR** an opportunity to provide **CITY** with a plan to cure the default, which shall be submitted to **CITY** within the time period allowed by **CITY**. At **CITY'S** sole discretion, **CITY** may accept or reject **CONTRACTOR'S** plan. If the default cannot be cured or if **CONTRACTOR** fails to cure within the period allowed by **CITY**, then **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.
2. If the default under this Contract is due to **CONTRACTOR'S** failure to maintain the insurance required under this Contract, **CONTRACTOR** shall immediately: (1) suspend performance of any services under this Contract for which insurance was required; and (2) notify its employees and Subcontractors of the loss of insurance coverage and Contractor's obligation to suspend performance of

services. **CONTRACTOR** shall not recommence performance until **CONTRACTOR** is fully insured and in compliance with **CITY'S** requirements.

3. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then **CITY** may immediately terminate this Contract.
4. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates **CITY'S** laws, regulations or policies relating to lobbying, then **CITY** may immediately terminate this Contract.
5. Acts of Moral Turpitude
  - a. **CONTRACTOR** shall immediately notify **CITY** if **CONTRACTOR** or any Key Person, as defined below, is charged with, indicted for, convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, any act which constitutes an offense involving moral turpitude under federal, state, or local laws ("Act of Moral Turpitude").
  - b. If **CONTRACTOR** or a Key Person is convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, an Act of Moral Turpitude, **CITY** may immediately terminate this Contract.
  - c. If **CONTRACTOR** or a Key Person is charged with or indicted for an Act of Moral Turpitude, **CITY** may terminate this Contract after providing **CONTRACTOR** an opportunity to present evidence of **CONTRACTOR'S** ability to perform under the terms of this Contract.
  - d. Acts of Moral Turpitude include, but are not limited to: violent felonies as defined by Penal Code Section 667.5, crimes involving weapons, crimes resulting in serious bodily injury or death, serious felonies as defined by Penal Code Section 1192.7, and those crimes referenced in the Penal Code and articulated in California Public Resources Code Section 5164(a)(2); in addition to and including acts of murder, rape, sexual assault, robbery, kidnapping, human trafficking, pimping, voluntary manslaughter, aggravated assault, assault on a peace officer, mayhem, fraud, domestic abuse, elderly abuse, and child abuse, regardless of whether such acts are punishable by felony or misdemeanor conviction.

- e. For the purposes of this provision, a Key Person is a principal, officer, or employee assigned to this Contract, or owner (directly or indirectly, through one or more intermediaries) of ten percent or more of the voting power or equity interests of **CONTRACTOR**.
  6. In the event **CITY** terminates this Contract as provided in this section, **CITY** may procure, upon such terms and in the manner as **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and **CONTRACTOR** shall be liable to **CITY** for all of its costs and damages, including, but not limited to, any excess costs for such services.
  7. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-9(A) Termination for Convenience.
  8. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- C. In the event that this Contract is terminated, **CONTRACTOR** shall immediately notify all employees and Subcontractors, and shall notify in writing all other parties contracted with under the terms of this Contract within five working days of the termination.

#### **PSC-10. Independent Contractor**

**CONTRACTOR** is an independent contractor and not an agent or employee of **CITY**. **CONTRACTOR** shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of **CITY**.

#### **PSC-11. Contractor's Personnel**

Unless otherwise approved by **CITY**, **CONTRACTOR** shall use its own employees to perform the services described in this Contract. **CITY** has the right to review and approve any personnel who are assigned to work under this Contract. **CONTRACTOR** shall remove personnel from performing work under this Contract if requested to do so by **CITY**.

**CONTRACTOR** shall not use Subcontractors to assist in performance of this Contract without the prior written approval of **CITY**. If **CITY** permits the use of Subcontractors, **CONTRACTOR** shall remain responsible for performing all aspects of this Contract and paying all Subcontractors. **CITY** has the right to approve **CONTRACTOR'S** Subcontractors, and **CITY** reserves the right to request replacement of any

Subcontractor. **CITY** does not have any obligation to pay **CONTRACTOR'S** Subcontractors, and nothing herein creates any privity of contract between **CITY** and any Subcontractor.

#### **PSC-12. Assignment and Delegation**

**CONTRACTOR** may not, unless it has first obtained the written permission of **CITY**:

- A. Assign or otherwise alienate any of its rights under this Contract, including the right to payment; or

#### **PSC-14. Claims for Labor and Materials**

**CONTRACTOR** shall promptly pay when due all amounts owed for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any **CITY** property (including reports, documents, and other tangible or intangible matter produced by **CONTRACTOR** hereunder), and shall pay all amounts due under the Unemployment Insurance Act or any other applicable law with respect to labor used to perform under this Contract.

The records will be subject to examination and audit by authorized **CITY** personnel or **CITY'S** representatives at any time. **CONTRACTOR** shall provide any reports requested by **CITY** regarding

performance of this Contract. Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

In lieu of retaining the records for the term as prescribed in this provision, **CONTRACTOR** may, upon **CITY'S** written approval, submit the required information to **CITY** in an electronic format, e.g. USB flash drive, at the expiration or termination of this Contract.

#### **PSC-17. Bonds**

All bonds required by **CITY** shall be filed with the Office of the City Administrative Officer, Risk Management for its review and acceptance in accordance with Los Angeles Administrative Code ("LAAC") Sections 11.47 *et seq.*, as amended from time to time.

#### **PSC-18. Indemnification**

Except for the active negligence or willful misconduct of **CITY**, or any of its boards, officers, agents, employees, assigns and successors in interest, **CONTRACTOR** shall defend, indemnify and hold harmless **CITY** and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature whatsoever, for death or injury to any person, including **CONTRACTOR'S** employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of an act, error, or omission by **CONTRACTOR**, Subcontractors, or their boards, officers, agents, employees, assigns, and successors in interest. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

#### **PSC-19. Intellectual Property Indemnification**

**CONTRACTOR**, at its own expense, shall defend, indemnify, and hold harmless the **CITY**, and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature arising out of the infringement, actual or alleged, direct or contributory, of any intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity, and proprietary information: (1) on or in any design, medium, matter, article, process, method, application, equipment, device, instrumentation, software, hardware, or firmware used by **CONTRACTOR**, or its Subcontractors, in performing the work under this Contract; or (2) as a result of **CITY'S** actual or intended use of any Work Product (as defined in PSC-21) furnished by **CONTRACTOR**, or its Subcontractors, under this Contract. **CONTRACTOR** agrees that a monetary remedy for breach of this Contract may be inadequate, impracticable, or difficult to prove and that a breach may cause **CITY** irreparable harm. **CITY** may therefore enforce this requirement by seeking injunctive relief and specific performance, without any necessity of showing actual damage or irreparable harm. Seeking injunctive relief or specific performance does not preclude **CITY** from seeking or obtaining any other relief to which **CITY** may be entitled.

For all Work Products delivered to **CITY** that are not originated or prepared by **CONTRACTOR** or its Subcontractors under this Contract, **CONTRACTOR** shall secure a grant, at no cost to **CITY**, for a non-exclusive perpetual license to use such Work Products for any **CITY** purposes.

At **CITY’S** sole discretion, **CITY** and its authorized agents shall have the right to lead or participate in the investigation. **CONTRACTOR** shall cooperate fully with **CITY**, its agents and law enforcement.

### INSURANCE CONTRACTUAL REQUIREMENTS

**CONTACT** For additional information about compliance with City Insurance and Bond requirements, contact the Office of the City Administrative Officer, Risk Management at (213) 978-RISK (7475) or go online at [www.lacity.org/cao/risk](http://www.lacity.org/cao/risk). The City approved Bond Assistance Program is available for those contractors who are unable to obtain the City-required performance bonds. A City approved insurance program may be available as a low cost alternative for contractors who are unable to obtain City-required insurance.

#### CONTRACTUAL REQUIREMENTS

##### CONTRACTOR AGREES THAT:

**1. Additional Insured/Loss Payee.** The CITY must be included as an Additional Insured in applicable liability policies to cover the CITY'S liability arising out of the acts or omissions of the named insured. The CITY is to be named as an Additional Named Insured and a Loss Payee As Its Interests May Appear in property insurance in which the CITY has an interest, e.g., as a lien holder.

**2. Notice of Cancellation.** All required insurance will be maintained in full force for the duration of its business with the CITY. By ordinance, all required insurance must provide at least thirty (30) days' prior written notice (ten (10) days for non-payment of premium) directly to the CITY if your insurance company elects to cancel or materially reduce coverage or limits prior to the policy expiration date, for any reason except impairment of an aggregate limit due to prior claims.

**3. Primary Coverage.** CONTRACTOR will provide coverage that is primary with respect to any insurance or self-insurance of the CITY. The CITY'S program shall be excess of this insurance and non-contributing.

**4. Modification of Coverage.** The CITY reserves the right at any time during the term of this Contract to change the amounts and types of insurance required hereunder by giving CONTRACTOR ninety (90) days' advance written notice of such change. If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.

**5. Failure to Procure Insurance.** All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

**6. Workers' Compensation.** By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake

self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all time during the performance of the work pursuant to this Contract.

**7. California Licensee.** All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

**8. Aggregate Limits/Impairment.** If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

**9. Commencement of Work.** For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract. The requirements in this Section supersede all other sections and provisions of this Contract, including, but not limited to, PSC-3, to the extent that any other section or provision conflicts with or impairs the provisions of this Section.

## BUSINESS ASSOCIATE AGREEMENT

Page 5 of 13

- (a) Provide information to members of its workforce using or disclosing PHI regarding the confidentiality requirements of the HIPAA Final Rules and this Agreement;
  - (b) Obtain reasonable assurances from the person or entity to whom the PHI is disclosed that: (i) the PHI will be held confidential and further used and disclosed only as Required by Law or for the purpose for which it was disclosed to the person or entity; and (ii) the person or entity will notify BA of any instances of which it is aware in which confidentiality of the PHI has been breached;
  - (c) Notification to Covered Entity. Agree to notify the designated Privacy Officer of CE of any instances of which it is aware in which the PHI is used or disclosed for a purpose that is not otherwise provided for in this Agreement or for a purpose not expressly permitted by the HIPAA Rules within 72 hours of discovery of the improper use or disclosure. The determination as to whether a use or disclosure for a purpose not provided for by this Agreement is a Breach within the meaning of 45 C.F.R. §164.402 shall be determined by the CE using the criteria determined in 45 C.F.R. §164.402 (2)(i)-(iv) after BA notifies CE of the use or disclosure of the PHI;
  - (d) Breach Notification. BA agrees to follow 45 C.F.R. §164.410 after first notifying CE of the use or disclosure not provided by this Agreement and CE makes a determination that a breach has occurred pursuant to paragraph C(5) of this Agreement; and
  - (e) For purposes of the Breach Notification provision in 45 C.F.R. §164.410, BA in this Agreement is **not** the agent of CE.
2. Data Aggregation. In the event that BA works for more than one covered entity, BA is not permitted to use and disclose PHI for data aggregation purposes, however, only in order to analyze data for permitted health care operations, and only to the extent that such use is permitted under the HIPAA Administrative Simplification.
  3. De-identified Information. BA may use and disclose de-identified health information if (i) the use is disclosed to CE in writing and permitted in writing by CE in its sole discretion and (ii) the de-identification is in compliance with 45 C.F.R. §164.502(d), and the de-identified health information meets the standard and implementation specifications for de-identification under 45 C.F.R. §164.514(a) and (b).
  4. Safeguards. BA shall maintain appropriate safeguards to ensure that PHI is not used or disclosed other than as provided by this Agreement or as

required by law. BA shall implement administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of any electronic PHI it creates, receives, maintains, or transmits on behalf of CE.

5. Minimum Necessary. BA shall attempt to ensure that all uses and disclosures of PHI which pertain to the billing or operations of the CE are subject to the principle of “minimum necessary use and disclosure,” i.e., that only PHI that is the minimum necessary to accomplish the intended purpose of the use, disclosure, or request is used or disclosed.
6. Disclosure to Agents and Subcontractors. If BA discloses PHI received from CE, to agents, including a subcontractor, BA shall require the agent or subcontractor to agree to the same restrictions and conditions as apply to BA under this Agreement. BA shall ensure that any agent, including a subcontractor, agrees to implement reasonable and appropriate safeguards to protect the confidentiality, integrity, and availability of the PHI that it creates, receives, maintains, or transmits on behalf of the CE. BA shall be liable to CE for any acts, failures or omissions of the agent or subcontractor in providing the services as if they were BA's own acts, failures or omissions, to the extent permitted by law. BA further expressly warrants that its agents or subcontractors will be specifically advised of, and will comply in all respects with, the terms of this Agreement.
7. Individual Rights Regarding Designated Record Sets. If BA maintains a Designated Record Set on behalf of CE, BA agrees as follows:
  - (a) Individual Right to Copy or Inspection. BA agrees that if it maintains a Designated Record Set for CE that is not maintained by CE, it will, in the event any Individual delivers directly to BA a request for access to PHI, in order for CE to respond to such Individual, forward such request to CE in order to meet the requirements of 45 C.F.R. §164.524(a)(1). Under the HIPAA Final Rules, CE is required to take action on such requests as soon as possible, but not later than 30 days following receipt of the request. [45 C.F.R. §164.524(b)(2).] BA agrees to make reasonable efforts to assist CE in meeting this deadline. The information shall be provided in the form or format requested if it is readily producible in such form or format; or in summary, if the Individual has agreed in advance to accept the information in summary form. A reasonable, cost-based fee for copying health information may be charged. If CE maintains the requested records, CE, rather than BA shall permit access according to its policies and procedures implementing the HIPAA Administrative Simplification.
  - (b) Individual Right to Amendment. BA agrees, if it maintains PHI in a Designated Record Set, to make the Designated Record Set available to

CE for amendments to PHI pursuant to 45 C.F.R. §164.526.

(c) Accounting of Disclosures. BA agrees to maintain documentation of the information required to provide an accounting of disclosures of PHI in accordance with 45 C.F.R. §164.528, and to make this information available to CE upon CE's request, in order to allow CE to respond to an Individual's request for accounting of disclosures. Under the HIPAA Final Rules, CE is required to take action on such requests as soon as possible but not later than 60 days following receipt of the request. BA agrees to use its best efforts to assist CE in meeting this deadline. Such accounting must be provided without cost to the individual or CE if it is the first accounting requested by an individual within any 12 month period; however, a reasonable, cost-based fee may be charged for subsequent accountings if BA informs the CE in advance of the fee and is afforded an opportunity to withdraw or modify the request. Such accounting is limited to disclosures that were made in the **six (6)** years prior to the request (not including disclosures prior to the compliance date of the HIPAA Administrative Simplification and shall be provided for as long as BA maintains the PHI.

8. Internal Practices, Policies and Procedures. Except as otherwise specified herein, BA shall make available its internal practices, policies and procedures relating to the use and disclosure of PHI, received from or on behalf of CE to the Secretary or his or her agents for the purpose of determining CE's compliance with the HIPAA Rules, or any other health oversight agency, or to CE. Records requested that are not protected by an applicable legal privilege will be made available in the time and manner specified by CE or the Secretary.
9. Notice of Privacy Practices. BA shall abide by the limitations of CE's Notice of which it has knowledge. Any use or disclosure permitted by this Agreement may be amended by changes to CE's Notice; provided, however, that the amended Notice shall not affect permitted uses and disclosures on which BA relied prior to receiving notice of such amended Notice.
10. Withdrawal of Authorization. If the use or disclosure of PHI in this Agreement is based upon an Individual's specific authorization for the use or disclosure of his or her PHI, and the Individual revokes such authorization, the effective date of such authorization has expired, or such authorization is found to be defective in any manner that renders it invalid, BA shall, if it has notice of such revocation, expiration, or invalidity, cease the use and disclosure of the Individual's PHI except to the extent it has relied on such use or disclosure, or if an exception under the HIPAA Administrative Simplification expressly applies.

11. Knowledge of HIPAA Rules. BA agrees to review and understand the HIPAA Rules as it applies to BA, and to comply with the applicable requirements of the HIPAA Rule, as well as any applicable amendments.
12. Security Incident. BA agrees to immediately report to the CE any security incident of which BA becomes aware within 72 hours of discovery of the security incident.

E. **TERM AND TERMINATION**

1. Term. The Term of this Agreement shall be effective as of the Effective Date of the Contract, and shall terminate when all of the PHI provided by CE to BA, or created or received by BA on behalf of CE, is destroyed or returned to CE, or, if it is infeasible to return or destroy PHI, protections are extended to such information, in accordance with the termination provisions in this Section.
2. Termination for Cause. Upon CE's knowledge of a material breach by BA, CE shall either:
  - (a) Provide an opportunity for BA to cure the breach or end the violation and terminate this Agreement and the Contract if BA does not cure the breach or end the violation within the time specified by CE;
  - (b) Immediately terminate this Agreement and the Contract if BA has breached a material term of this Agreement and cure is not possible; or
  - (c) If neither termination nor cure is feasible, CE shall report the violation to the Secretary.
3. Effect of Termination.
  - (a) Except as provided in paragraph (b) of this section, upon termination of this Agreement, for any reason, BA shall return or destroy all PHI received from CE, or created or received by BA on behalf of CE. This provision shall apply to PHI that is in the possession of subcontractors or agents of BA. BA shall retain no copies of the PHI and shall confirm, in writing, to the CE that all PHI has been returned to the CE or destroyed and, state the method of destruction.
  - (b) In the event that BA determines that returning or destroying the PHI is infeasible, BA shall provide to CE written notification of the conditions that make return or destruction infeasible. Upon discovering that return or destruction of PHI is infeasible, BA shall extend the protections of this Agreement to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so

long as BA maintains such PHI.

**F. MISCELLANEOUS**

1. Indemnification.

(a) To the extent permitted by law, BA agrees to indemnify and hold harmless CE from and against all claims, demands, liabilities, judgments or causes of action of any nature for any relief, elements of recovery or damages recognized by law (including, without limitation, attorney's fees, defense costs, and equitable relief), for any damage or loss incurred by CE arising out of, resulting from, or attributable to any acts or omissions or other conduct of BA or its agents in connection with the performance of BA's or its agents' and/or subcontractor's duties under this Agreement including and not limited to the cost of breach notification under Paragraph D.1.(d) of this Agreement. This indemnity shall not be construed to limit CE's rights, if any, to common law indemnity.

(b) CE shall have the option, at its sole discretion, to employ attorneys selected by it to defend any such action described in F(1)(a) above, the costs and expenses of which shall be the responsibility of BA. CE shall provide BA with timely notice of the existence of such proceedings and such information, documents and other cooperation as reasonably necessary to assist BA in establishing a defense to such action.

(c) These indemnities shall survive termination of this Agreement, and CE reserves the right, at its option and expense, to participate in the defense of any suit or proceeding through counsel of its own choosing.

2. Mitigation. If BA violates this Agreement or the HIPAA Rules, BA agrees to mitigate any damage caused by such breach, and bear any such related costs.

3. Rights of Proprietary Information. CE retains any and all rights to the proprietary information, confidential information, and PHI it releases to BA.

4. Survival. The respective rights and obligations of BA under Section E. 3 (Effect of Termination) of this Agreement shall survive the termination of this Agreement.

6. Amendments. This Agreement may not be changed or modified in any manner except by an instrument in writing signed by a duly authorized officer of each of the Parties hereto. The Parties, however, agree to amend this Agreement from time to time as necessary, in order to allow CE to comply with the requirements of the HIPAA Rules.
7. Choice of Law. This Agreement and the rights and the obligations of the Parties hereunder shall be governed by and construed under the laws of the State of California, without regard to applicable conflict of laws principles.
8. Assignment of Rights and Delegation of Duties. This Agreement is binding upon and inures to the benefit of the Parties hereto and their respective successors and permitted assigns. However, neither party may assign any of its rights or delegate any of its obligations under this Agreement without the prior written consent of the other Party, which consent shall not be unreasonably withheld or delayed. Notwithstanding any provisions to the contrary; however, CE retains the right to assign or delegate any of its rights or obligations hereunder to any City department or office in a manner consistent with the HIPAA Rules. Assignments made in violation of this provision are null and void.
9. Nature of Agreement. Nothing in this Agreement shall be construed to create (i) a partnership, joint venture or other joint business relationship between the Parties or any of their affiliates, (ii) any fiduciary duty owed by one Party to another party or any of its affiliates, or (iii) a relationship of employer and employee between the Parties.
10. No Waiver. Failure or delay on the part of either Party to exercise any right, power, privilege or remedy hereunder shall not constitute a waiver thereof. No provision of this Agreement may be waived by either Party except by a writing signed by an authorized representative of the Party making the waiver.
11. Equitable Relief. Any disclosure of misappropriation of PHI by BA in violation of this Agreement will cause CE irreparable harm, the amount of which may be difficult to ascertain. BA therefore agrees that CE shall have the right to apply to a court of competent jurisdiction for specific performance and/or an order restraining and enjoining BA from any such further disclosure or breach, and for such other relief as CE shall deem appropriate. Such rights are in addition to any other remedies available to CE at law or in equity. BA expressly waives the defense that a remedy in damages will be adequate, and further waives any requirement in an action for specific performance or injunction for the posting of a bond by

CE.

12. Severability. The provisions of this Agreement shall be severable, and if any provision of this Agreement shall be held or declared to be illegal, invalid or unenforceable, the remainder of this Agreement shall continue in full force and effect as though such illegal, invalid or unenforceable provision had not been contained herein.
13. No Third Party Beneficiaries. Nothing in this Agreement shall be considered or construed as conferring any right or benefit on a person not party to this Agreement nor imposing any obligations on either Party hereto to persons not a party to this Agreement.
14. Headings. The descriptive headings of the articles, sections, subsections of this Agreement are inserted for convenience only, do not constitute a part of this Agreement and shall not affect in any way the meaning or interpretation of this Agreement.
15. Interpretation. Any ambiguity in this Agreement shall be resolved in favor of a meaning that permits CE to comply with the HIPAA rules and any applicable state confidentiality laws. The provisions of this Agreement shall prevail over the provisions of any other agreement that exists between the Parties that may conflict with, or appear inconsistent with, any provision of this Agreement or the HIPAA Rules.
16. Regulatory References. A citation in this Agreement to the Code of Federal Regulations shall mean the cited section as that section may be amended from time to time.
17. Counterparts/Electronic Signatures. This Agreement may be executed in one or more counterparts, and by the Parties in separate counterparts, each of which, when executed, shall be deemed to be an original but all of which, taken together, shall constitute one and the same agreement. The Parties further agree that facsimile signatures or signatures scanned into .pdf (or signatures in another electronic format designated by City) and sent by e-mail shall be deemed original signatures.
