Comments for Public Posting: Dear PLUM Committee, Thank you for all that you do. Today, I'm urging you to pass the motion for the banning of Christmas tree lots in the Evan's Street residential zones. As a longtime Los Feliz resident, I fully support passing agenda item 3. As you know, it is a crime throughout a California, to willfully disturb the peace in creating "a loud and unreasonable noise." It is also a crime for any of the community to maintain a "public nuisance," which interferes with the "comfortable enjoyment of life or property." Also, this is untenable, that this has continued for this long. Everyone is entitled to a peaceful holiday and the Evan's street neighbors need your help in abating this public nuisance and interference in the peace of their everyday lives. During Covid, while everyone was required to shelter in place, this nuisance continued. Please restore the peace of this neighborhood, permanently moving forward and let these residents begin to have a sense of joy and calm back, during the holidays and not have their parking taken away and be subject to the constant sawing, chopping, yelling and traffic jams. Thank you, and again, I urge this committee to please pass this motion. Thank you!
