Summary:

On April 5, 2022, your Committee considered a April 7, 2022 joint CAO/CLA report relative benchmarks and commitments for working groups and other priorities identified in the Games Agreement for the LA28. According to the CAO/CLA on December 3, 2021, Council authorized the approval of the Games Agreement (Council File No. 15-0989; Contract No. C-139679) between the City and the Los Angeles Organizing Committee for LA28, which articulates numerous obligations and actions regarding the hosting of LA28, including the establishment of working groups to develop legacy plans for LA28. Council further instructed the CAO and CLA to present a report by March 31, 2022 that: establishes benchmarks and deadlines for LA28 to establish working groups that include labor and the community; and creates plans for the various City priorities listed in the Games Agreement.

In response to Council's instruction, the CAO and CLA collaborated with the Office of the Mayor, in coordination with LA28, to develop a proposed schedule of benchmarks and commitments for LA28 to establish each working group and advance each priority identified in the Games Agreement. LA28 sought City input on multiple occasions to

develop the most effective and successful plan for each working group, including but not limited to specific goals and stakeholders. Consistent with the Games Agreement, LA28 will seek an array of stakeholder input for each working group and plan. Highlights of the proposed schedule are provided within the joint CAO/CLA report. After further consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the recommendations contained in the joint CAO/CLA report, as amended. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

Ad Hoc Committee on the 2028 Olympics and Paralympic Games
