

MOTION

TO CITY CLERK FOR PLACEMENT ON NEXT  
REGULAR COUNCIL AGENDA TO BE POSTED

#59

Council District Twelve's Sunshine Canyon Amenities Fund provides for enhancements in the Granada Hills community. Tree maintenance is an essential service provided by the City of Los Angeles to improve public safety and enhance streetscapes throughout the city.

The Granada Hills Historical Deodar Cedar trees on White Oak Avenue were planted in the early 1930s by John Orcutt, superintendent of the citrus and dairy farm known as the Sunshine Ranch in what was then known as Granada. The distinguished Himalayan trees have been declared a Los Angeles Historical-Cultural Monument since 1966.

These trees are in need of care and there are sufficient funds in the Council District Twelve Sunshine Canyon Amenities Fund which can be transferred to Street Services for a tree care project.

**I THEREFORE MOVE** that \$94,000 in the Sunshine Canyon Community Amenities Trust Fund No. 699 to be transferred/ appropriated to the Bureau of Street Services Fund 100, Dept 86 for a tree care project in Council District 12.

**I FURTHER MOVE** that the Bureau of Street Services be authorized to make any technical corrections or clarifications to the above fund transfer instructions in order to effectuate the intent of this Motion.
